

BIOL 101: THE SMALLER SIDE OF LIFE

STUDY GUIDE ON MICROBIOLOGY

This study guide provides the outcomes you must achieve in order to master the Microbiology section of BIOL101. You can use these as your framework for your study notes which you can work through in your own time, using the textbook and the notes that you take in lectures. If you diligently work through these outcomes to prepare before lectures AND afterwards when you do revision, you will be well prepared for assessments, as your reading will be focused on the important aspects of each chapter. Most of the information and the figures referred to in this section will be contained in your prescribed textbook, although other good biology textbooks will contain more or less the same information and similar figures.

Summary of icons used in the study guide	
	This will list the chapters in your prescribed textbook where you can find most of the information.
	This icon labels the learning outcomes of the section.
	Stop and revise previous content.
	Why is this important for the rest of the module/your degree?
	This icon will indicate an important web-source/Make Connection/ section in your text book you can use to further your understanding of the concepts, or with interesting applications of concepts, but these are not examined.
	This icon will indicate a specific resource/exercise in on the Mastering Biology platform you need to access/complete.
	This icon will indicate a specific activity you should complete.
	The self-evaluation icon indicates which concept-checks in the prescribed text book can be used to evaluate your understanding of the outcomes. The "what if" questions are usually higher-level questions that test your understanding of the topic. Try to answer the questions without the assistance of your text book and notes.
