Lies We Tell Secrets We Keep:

Saved By A Kingpin Chase Sidora, 2016-09-24 Riley Washington is the epitome of a strong black woman loving free hearted and kind Not only that she is strikingly gorgeous witty and smart But she is also damaged No matter how many great qualities she possesses Riley has ended up scorned by love time and time again This time though when love leaves her with absolutely nothing and she is ready to call it quits once and for all she finds refuge in an unlikely place Mason Moore is handsome wealthy and noble But for every positive attribute there is an even stronger much more ruthless quality hidden underneath the surface Growing up the son of a street legend in Passaic New Jersey s Aspen Place Projects Mase has been groomed for the street life ever since he could remember So when Mase inherited his title of Kingpin along with all the burdens that came along with it when his father was murdered in cold blood he was up for the challenge Along with his childhood friend Steele Mase has prided himself on his ability to continue to build and grow the organization that was handed to him with ease that is until money turns up missing and a new flame threatens to knock him off of his square Riley and Mase hit it off instantly and seem to be made for each other but can they really trust the fairytale their connection appears to be Is it real or is their love circumstantial Are they entertaining the idea of something that isn t meant to last With both their pasts hell bent on being a part of their futures falling in love with each other could cost Mase and Riley not only their relationship but also their lives Bulletproof Buddhists and Other Essays Frank Chin, 1998-05-01 America doesn t want us as a visible native minority They want us to keep our place as Americanized foreigners ruled by immigrant loyalty But never having been anything else but born here I ve never been foreign and resent having foreigners telling me my place in America and America telling me I m foreign There s no denial or rejection of Chinese culture going on here just the recognition of the fact that Americanized Chinese are not Chinese Americans and that Chinese Americans cannot be understood in the terms of either Chinese or American culture or some chow mein spaghetti formula of Chinese and American cultures or anything else you ve seen and loved in Charlie Chan from Confessions of a Chinatown Cowboy *Living and Loving Better with Time Perspective Therapy* Philip G.
