*Assessment in Educational Therapy* Marion Marshall, 2019-12-20 *Assessment in Educational Therapy* offers essential grounding skills and ethical approaches for understanding and conducting assessments in the context of educational therapy. Six clear straightforward chapters guide graduate students and trainees of the field to use scores observation and hypothesis testing to create strengths based assessments and intervention strategies that can be delivered orally or in written reports. The book is the first to describe and critique all the standardized assessment instruments that qualified educational therapists can use to measure skills in reading written expression mathematics and processing. Real world case studies practical takeaways of key concepts resources for self study reflective questions and other readers tools enliven this comprehensive yet accessible reference.

**Multifaceted Assessment for Early Childhood Education** Robert J. Wright, 2010 *Multifaceted Assessment in Early Childhood* is ideal for those on upper division undergraduate courses and first level graduate courses in early childhood education assessment. The book covers the various measures used in a range of assessment dimensions and includes valuable information regarding young children with special needs and English Language Learners which has rarely been touched upon in other textbooks. The chapters are focused on student accessibility and include practical applications of key concepts. Features and benefits: Covers a range of assessment concepts including Formative uses feedback from learning to adapt teaching Summative i.e. tests quizzes Authentic focuses on complex deeper tasks Standardized STAR SAT Includes coverage of assessment for English language learners and children with special needs topics that are not provided enough coverage in other books including Wortham McAfee Puckett and Mindes Wright's writing style grabs and engages the reader in the topic. Two of our reviewers who use Wortham specifically cited Wright's writing style as a reason they would adopt our book. A McAfee reviewer is likely to switch for the same reason.
