Your exam will consist of four assignments.

Final exam assignments will be similar to assignments you have completed in class this semester. Some assignments will require you to complete specific tasks with specific formatting, fonts, etc. Other assignments may also require you to demonstrate that you know how to compose the standard business documents we have covered this semester.

These assignments are expected to be free from any typographical or grammatical errors.

You will complete your final exam assignments, saving them to your H: drive. You will then submit your assignments in Moodle.

You will be asked to input a business letter that has been proofread and has proofreading marks. You will be expected to make the appropriate corrections to the letter as indicated by the proofreading marks.

Personal Business Letters
