of Literature and the City** Jeremy Tambling,2017-02-17 This book is about the impact of literature upon cities world wide
and cities upon literature It examines why the city matters so much to contemporary critical theory and why it has inspired
so many forms of writing which have attempted to deal with its challenges to think about it and to represent it Gathering
together 40 contributors who look at different modes of writing and film making in throughout the world this handbook asks
how the modern city has engendered so much theoretical consideration and looks at cities and their literature from China to
Peru from New York to Paris from London to Kinshasa It looks at some of the ways in which modern cities whether capitals
shanty towns industrial or rust belt have forced themselves on people s ways of thinking and writing **Libros en venta en
