Jehovah Witnesses Kingdom Ministry Jan 2014:

Jehovah's Witnesses George D. Chryssides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses What would attending a Kingdom Hall meeting involve And if I invited door knocking Witnesses into my home This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization After outlining the Society's origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member The book then explores what is involved in being a Witness congregational life lifestyle rites of passage their understanding of the Bible and prophetic expectations It examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the COVID 19 pandemic *Shutting the Door to the Kingdom of God* Eric Michael Wilson, 2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah's Witnesses concerning the Last Days and the good news of salvation are unscriptural The author an elder of Jehovah's Witnesses for 40 years shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ the overlapping generation doctrine the failed prophecies of 1925 and 1975 the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile and most important of all the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW org without sacrificing their faith This is a must read for any Jehovah's Witness who is a seeker of truth and unafraid to put his or her beliefs to the test **The Politics of Spiritual Work in Christian Movements** Aini Linjakumpu, 2025-08-06 This book examines how three conservative Christian movements Jehovah's Witnesses Conservative Laestadians and the Old Order Amish attribute spiritual meanings to both paid employment and voluntary work and how work functions as a tool of governance within these communities A central concept developed in this book is spiritual work used to describe forms of labour imbued with religious meaning and purpose This book offers a detailed analysis of how religious interpretations of work regulate members' lives and sustain internal power dynamics By tracing both the theological roots and social consequences of these interpretations the study demonstrates that work is not merely an economic necessity but a central component of the moral and spiritual order within these movements Framed by perspectives from the study of power and governance this book identifies three key dimensions through which governance operates via work shaping individual spirituality reinforcing communal belonging and cohesion and regulating the boundary between the religious community and the outside world *Jehovah's Witnesses and the Secular World* Zoe Knox, 2018-01-29 This book examines

the historic tensions between Jehovah's Witnesses and government authorities civic organisations established churches and the broader public Witnesses originated in the 1870s as small loose knit groups calling themselves Bible Students Today there are some eight million Witnesses worldwide all actively engaged in evangelism under the direction of the Watch Tower Society The author analyses issues that have brought them global visibility and even notoriety including political neutrality public ministry blood transfusion and anti ecumenism It also explores anti Witness discourse from media portrayals of the community as marginal and exotic to the anti cult movement Focusing on varied historical ideological and national contexts the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world

Religious Freedom Gerhard Besier, Olaf Lange, Ilkka Huhta, 2019-05 Restrictions with respect to religious freedom have been in place in authoritarian states for a number of years We can observe a new period of co operation between authoritarian states and state churches Some churches have assumed a clearly political position even in belligerent conflicts by justifying wars criminalizing their religious competitors and thereby exploiting the Christian Gospel for non Christian purposes In this volume scholars from Europe and North America discuss the core objective of religious freedom in the West and East seeking measures to encourage religions to act and interact independent of deliberate political stances to maintain their distance from territorial governments and to strengthen the principle of religious freedom and thereby their own denomination as well *Yearbook of International Organizations 2013-2014 (Volumes 1a-1b)* Union Of International Associations, Union of International Associations, 2013-06-21 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events **The New Testament of our Lord and Saviour Jesus Christ** Christopher Wordsworth, 1872 **St. Paul's Epistles; The General Epistles; The Book of Revelations, and Indexes**, 1872 **Who's who in Finance and Industry 2000-2001**, 1999 **Who's who in Finance and Industry**, 1999
