[The Complete Guide to Drying Foods at Home](#) Terri Paaanen, 2012 Food dehydration is not just for prunes and raisins any more a recent U.S. study revealed that the dried and dehydrated food industry made more than 6 billion in revenue in one year alone Thanks to advances in technology dehydrating foods at home has become easier than ever allowing you to lock in food's nutritional value while eliminating the water content that causes foods to grow bacteria and mold Drying foods also gives you a source of raw nutrient rich food that is easily available and requires no additional preparation *The Complete Guide to Drying Foods at Home* provides you with all the information necessary for drying fruits vegetables meats herbs grains and even dairy products This book will provide you with instructions on how to dry foods using a food dehydrator and will also offer you simpler alternatives for how to dehydrate foods using an oven microwave or even the sun You will learn what equipment you need to get started and how to properly store your food to ensure optimal freshness This book also provides you with recipes for any meal of the day whether you are looking for an easy breakfast alternative or a quick soup you can prepare for lunch You will even learn how to prepare foods for young children and pets Drying your foods will not only provide you with timesaving options for ways to prepare your meals it will also allow you to reduce the amount of food you throw out each month Researchers at the University of Arizona found that the average family wastes 14 percent of their food purchases learning how to dehydrate and store dry foods can ensure the money you spend on groceries will not be thrown out with the trash We have spent hundreds of hours interviewing dozens of experts who will provide you with all the information you need

to start dehydrating your foods We've spoken with nutritionists and busy parents who advocate drying foods as a way to save time and still prepare healthy meals This book is filled with delicious recipes and practical tips to help you and your family enjoy the economic and health benefits that dehydrated foods offer Whether you are looking for money saving dinner options or a quick recipe for a high protein trail mix The Complete Guide to Drying Foods at Home offers you all the information you need to start cooking and eating smarter Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president's garage Atlantic Publishing has grown to become a renowned resource for non-fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed

The Complete Guide to Food Preservation Angela Williams Duea, 2011 Provides directions for preserving fruit vegetables and meat using the methods of pickling freezing bottling drying salting and curing

Just Jerky Mary T. Bell, 1996

The Complete Guide to Preserving Meat, Fish, and Game Kenneth V. Oster, 2011 For more than 8 000 years humans have been preserving meat and fish through canning curing smoking and freezing use techniques that remove the moisture and make it possible to keep meat for much longer than its natural shelf life However improper preservation of meat leads to more than 40% of all reported cases of food borne illness according to the Center for Disease Control meaning it is necessary for everyone to carefully effectively practice safe storage practices and ensure the meat is well preserved This book will show any potential meat preserver how to go about the process of storing meat for long term use in a variety of methods while constantly keeping an eye to the possibility of food borne illness and the loss of freshness You will learn everything you need to know to start the process of setting aside and preserving your meat fish and game Starting with a series of charts and basic details about different kinds of meat and fish from venison to beef to salmon you will learn which animal products store best with which methods which methods must be avoided and which diseases are the greatest risk when you store meat With this information in hand you will start learning how the freezing canning curing and smoking processes work You will be given detailed outlines of each process starting with what equipment you will need Experts in meat preservation have been interviewed and their insights have been included here to provide a detailed and full overview of everything you can expect in the process From these interviews you will start the process of understand what you need to effectively preserve meat products You will learn what can lead to failure for all four methods what the best possible storage locations are for each and what materials should be avoided at all costs Learn how smoking works and the timelines for every form of storage from the moment the animal is butchered to the moment it needs to be preserved No matter what kind of animal you are preserving this book will provide the details you need to effectively store the meat for later use Atlantic Publishing is a small

independent publishing company based in Ocala Florida Founded over twenty years ago in the company president s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed
