**The Father's Son** James T. O'Connor, 2001-12-27 Drawing from the living font of divine Revelation the author of The Father s Son intends to clearly present the timeless truths about the God Man Jesus of Nazareth truths as they are given to us in scripture and tradition and interpreted by the Church The Father s Son will be of value not only to seminarians and college students but to anyone else interested in learning more about Jesus Christ the Son of God true God

and true man      **Prophecy Unfulfilled** Wayne Talbot, Prophecy Unfulfilled represents a continuation of the author's quest for the truth of God by firstly uncovering the untruths that he had been taught during his formative years as a Catholic. Earlier works focused on the claimed new replacement covenant, the rejection of the Sabbath and the rejection of Torah. Using the rules of evidence as in a court of law, this study seeks to evaluate the claimed messianic prophecy fulfillment by Jesus some two thousand years ago. The first part of the book discusses the nature of evidence and how the rules regarding written evidence vary significantly from those of oral evidence, the latter being used most often by biblical scholars and Christian apologists. The first step is to authenticate the extant documents by examining the chain of custody and thus establish authority. Next is to authenticate the attributed authorship of the writings to determine whether the authors were firsthand witnesses of the events they described or whether their narratives are hearsay with or without corroboration. Where little verbal agreement is found, this is circumstantial evidence of separate traditions developing the resultant theology. The study proceeds by examining every verse in the NKJV New King James Version of the New Testament that is annotated as being in fulfillment of prophecy, comparing the wording against both the NKJV Old Testament and an English translation of the Hebrew scriptures. Where significant variations exist, the author seeks an understanding from New Testament scholars, whom he frequently quotes. The eschatological temper of the early church is given due consideration, especially concerning the expectations of the Jews regarding the mission of the Messiah. Finally, the accomplishments of Jesus as enshrined in Christian creeds is compared with what is spoken of by the prophets. The author's conclusion is encapsulated in the book's title.      *A Complete Concordance to the Revised Version of the New Testament* John Alexander Thoms, 1882      *The Eschatology of Jesus* Lewis Andrew Muirhead, 1904      *The Royal Winged Son of Stonehenge and Avebury* Morien O.
