Journal De Stefan:

Journal de Stefan 5 L.J. Smith, Kevin Williamson, Julie Plec, 2012-08-15 Pensant pouvoir prendre un nouveau départ Stefan et Damon ont quitté l'Amérique pour s'installer en Europe où personne ne les connaît. Mais très vite ils ont remarqué par Samuel un vampire aussi riche que fourbe qui a de grandes et cruelles ambitions pour eux. Unis contre cet ennemi commun qu'ils veulent détruire tout prix, Stefan et Damon découvrent avec horreur que la haine de Samuel leur garde un rapport direct avec leur passé. Avec Katherine la fragile alliance des deux frères toujours hantée par le souvenir de celle qu'ils ont tous deux aimée est mise à rude épreuve. Stefan et Damon parviendront-ils à passer leur rivalité pour vaincre Samuel avant qu'il mette ses terribles plans à exécution ?

Journal de Stefan 2 L.J. Smith, Kevin Williamson, Julie Plec, 2011-05-18 Stefan et Damon Salvatore doivent désormais faire face à leur nouvelle condition de vampires. Ils fuient Mystic Falls, leur ville natale prise d'assaut par des chasseurs de vampires, et se dirigent vers La Nouvelle-Orléans. Tandis que Stefan se découvre ses pouvoirs, Damon continue de pleurer la perte de Katherine, la magnifique et cruelle vampire qui les a transformés. Bientôt La Nouvelle-Orléans se révèle le lieu de toutes les tentations et de tous les dangers. Stefan tombe amoureux d'une humaine et son sang froid est mis à rude épreuve. Damon lui est capturé par un chasseur de vampire sadique et sans pitié. Stefan sait qu'il n'a d'autre choix que de sauver son frère, mais qu'en sera-t-il de son nouvel amour ?

Journal de Stefan 6 L.J. Smith, Kevin Williamson, Julie Plec, 2012-10-03 La peine infligée à la dernière attaque de Samuel, cet impitoyable vampire prêt à tout pour venger la mort de Katherine, Stefan et Damon trouvent refuge dans un improbable coven secret de sorcières. Mais le plan de Samuel est plus diabolique encore que ce qu'ils imaginaient. Les deux frères doivent l'arrêter avant qu'il parvienne à contrôler mentalement tant les humains que les vampires. Ils n'ont pas le droit de lâcher trop de vies, sont en jeu. **Journal de Stefan 3** L.J. Smith, Kevin Williamson, Julie Plec, 2011-09-07 Après la trahison de son frère, Stefan part tenter sa chance à Manhattan. Se jurant de ne plus nuire à aucun être humain, il décide de se nourrir uniquement d'animaux pour survivre. Lui qui a retrouvé son humanité, contrairement à Damon qui l'a complètement perdue, souhaite surtout se fondre dans la masse. Mais alors qu'il pense avoir laissé son passé derrière lui, Stefan découvre qu'il ne peut chapper à Damon, qui conserve de grandes ambitions pour leur duo. C'est alors qu'un vampire fait surface pour venger une mort dont les deux frères sont responsables. Stefan et Damon doivent s'allier pour l'affronter.

Journal de Stefan 1 L.J. Smith, Kevin Williamson, Julie Plec, 2011-03-02 Mystic Falls, 1864. Stefan Salvatore vit avec son père qui arrange son mariage avec une jeune fille de bonne famille, Rosalyn. Malgré son sens des convenances et des traditions, Stefan a du mal à se résigner totalement à cette union qu'il ne désire pas. C'est alors qu'arrive Katherine, que le père de Stefan recueille après que la jeune fille a perdu toute sa famille dans un terrible accident. Stefan tombe aussitôt sous le charme de cette mystérieuse personne. Un charme qui va s'exercer galement sur Damon, le frère de Stefan de retour du front. Un triangle amoureux d'une dangereuse sensualité commence alors à se dessiner. Mais bientôt des événements sanglants se succèdent dans la région. On soupçonne la présence de vampires. Lorsque sa fiancée est retrouvée morte,

dans des conditions atroces les soupçons de Stefan grandissent Other Combatants, Other Fronts James Kitchen, Alisa Miller, Laura Rowe, 2011-01-18

The First World War is a subject that has fascinated the public as well as the academic community since the close of hostilities in 1918. Over the past thirty years in particular the historiography associated with the conflict has expanded considerably to include studies whose emphases range between the economic, social, cultural, literary and imperial aspects of the war, all coinciding with revisions to perceptions of its military context. Nevertheless, much of the discussion of the First World War remains confined to the experiences of a narrow collection of European armies on the battlefields of Northern France and Belgium. This volume seeks to push the focus away from the Western Front and to draw out the multi-spectral nature of the conflict, examining forgotten theatres and neglected experiences. The chapters explore the question of what total war meant for the lives of people around the world implicated in this momentous event, broadening current debates on the First World War as well as developing, reinforcing and refining the existing categories of analysis. The chapters are grouped into sections that reflect neglected elements of the transnational interpretation of the conflict and aspects of the total war debate. These encompass alternative forms of mobilisation, issues of neutrality, ideas of racial identity and the scope of violence. The volume thus not only expands First World War studies but also contributes to the wider discourse on the shifting nature of warfare in the nineteenth and twentieth centuries. With chapters by leading scholars and early career researchers, this volume draws on a diverse range of original archival research undertaken across disciplinary and national boundaries. The contributions to the volume provide an analysis of the conflict that draws out its full breadth and complexity. The First World War demonstrated the critically important relationship between national mobilisation and total war and saw multiple mobilisations and re-mobilisations of European populations. This theme is explored at the national, regional and local levels through examinations of the Sicilian province of Catania, the role of science in France and Britain and the utilisation of the narrative of maritime heroism surrounding the British sailor Jack Cornwell. For Europe's neutrals, the First World War was often as total in its effects as for those states engaged in military operations. Chapters analyse the diverse range of these experiences of neutrality from the economy and people of the Netherlands to the attitudes of Switzerland's intellectuals. Racial interpretations of modern conflict have defined much of the historiography of total war. The complexities of racial analysis with respect to total war are highlighted in chapters dealing with white colonial internees in German East Africa, the treatment of prisoners of war in Europe and the recruitment of India's primitive peoples for service in labour units. The final section of the volume considers the scale and broad scope of the violence unleashed during the First World War. Chapters on the continuation of German naval war culture after the conflict, the shaping of personal narratives of the war in the Ottoman Empire and anti-alien violence among veterans in Canada serve to reinforce the extent to which the conflict affected wider aspects of twentieth-century history around the globe. Other Combatants, Other Fronts sheds light on the diverse experiences of neutral and belligerent states and their combatants and civilians during the tumultuous events of

1914 18 This brings to the fore the extent to which the mechanisms of conflict developed during the struggle had a truly global reach and the impact this has had ever since in defining modern conflict The collection reinforces the notion that although the First World War was a vast and often bewildering industrial conflict it was ultimately a very human phenomenon
