Journal Intime Roman:

Journal intime Nathalie Rheims, 2007 Un homme tient un journal intime qu'une femme tente d'envahir en mettant en oeuvre une stratégie pour en devenir l'objet Lorsque je n'cris pas il ne m'arrive rien Lorsque j'cris tu surgis mais comment t'emporter te saisir te garder toi qui t'en vas toujours Chaque jour recommencer et tout deviendra possible Tu prends corps par ces mots Je t'absorbe dans mes feuilles Je te parle un langage qui m'est réservé et qui ne peut inscrire ton nom moi seule le connais

Diaries Real and Fictional in Twentieth-Century French Writing Sam Ferguson, 2018-03-09 This volume is the first study of the diary in French writing across the twentieth century as a genre which includes both fictional and non-fictional works From the 1880s it became apparent to writers in France that their diaries a supposedly private form of writing would probably come to be published

strongly affecting the way their readers viewed their other published works and their very persona as an author More than any other Andr Gide embraced the literary potential of the diary the first part of this book follows his experimentation with the diary in the fictional works *Les Cahiers d Andr Walter* 1891 and *Paludes* 1895 in his diary of the composition of his great novel *Le Journal des faux monnayeurs* 1926 and in his monumental *Journal* 1889 1939 1939 The second part follows developments in diary writing after the Second World War inflected by radical changes in attitudes towards the writing subject Raymond Queneau s works published under the pseudonym of Sally Mara 1947 1962 used the diary playfully at a time when the writing subject was condemned by the literary avant garde Roland Barthes s experiments with the diary 1977 1979 took it to the extremes of its formal possibilities at the point of a return of the writing subject Annie Ernaux s published diaries 1993 2011 demonstrate the role of the diary in the modern field of life writing Throughout the century the diary has repeatedly been used to construct an oeuvre and author but also to call these fundamental literary concepts into question
