- **News** is the part of communication that keeps us informed of the changing events, issues, and characters in the world outside.
- The foremost value of news is as a utility to empower the informed.
- The purpose of journalism is thus to provide citizens with the information they need to make the best possible decisions about their lives, their communities, their communities, and their governments.
- **Journalism** is the act of gathering and presenting news and information to subjects for all mediums, print or non-print.
- The term journalism also refers to the news and information itself.
- There are different ways of presenting news and information including articles, reports, broadcasts, or even tweets.
- The journalist is always involved in the process of gathering selecting and presenting news and information being mindful of providing a truthful, noteworthy, and honest presentation. It should meet the standard of truth and honesty in reporting

Mediums of Journalism

1. Broadcast - reporters share the news through television or radio and through Video or audio online.
2. Print/Online - Journalist writes articles and blogs for publications like newspapers or magazines.
3. Photojournalism - Photojournalists tell stories through photos.
4. Multimedia - it is the combination of broadcast, print, and photojournalism.
