**Memoir Of A Soul In Poetry And Prose** Richard Heinzelman,2020-03-20 New author Richard Heinz takes us with him as he explores his life and soul in a series of poems and narrative reflections on those poems The poems came to the author as if in dictation over a period of 35 years They describe the experiences of one human being as seen through his soul that place where the divine spirit meets our psychological self at the center of our being The author s soul journey is everyone s journey as he travels from the innocent spiritual experiences of early childhood to the development of a shadow side to the parallel journeys toward self love and soulful connection with other souls and with the Creator The author s journey covers the gamut of human emotions including joy love grace and shared intimacy as well as anger loneliness regret and a sense of failure The book concludes with an exploration of what lies beyond the curtain we call death The unique combination of heartfelt poetry and narrative prose will undoubtedly bring the reader face to face with his or her own life experience raising questions that the reader may want to explore individually with a partner or in a small group setting **Memoir of a Soul**
