Jesus And Lucifer Who Are They:

Jesus and Lucifer Benny Anthony,2014-11-20 This books details facts concerning Jesus Christ and Lucifer **The Revelation of Lucifer** Thomas Jones,2013-07-02 I saw Jesus on the cross and all of heaven was motionless I could see legions of angels just waiting near the cross Then as I looked upon the cross I couldnt bear to look at what I was seeing for it was extremely sad The last time I saw Jesus it was a picture of absolute splendor majesty and glory when He came forth from His Father But now to look at Him was almost impossible for He looked nothing like He did earlier Just then my attention was taken back down into hell Every demon was in a state of frenzy and hysteria They were acting and behaving like wild beasts animals You could see some type of disgusting foam coming from their mouths It was repulsive They were all yelling Its over Its over You could see they were anticipating Jesus arrival Satan had this disturbed distorted indescribable look on his face as he had conquered all the universe He looked like he knew he was finally able to affect God and that he wouldnt be able to recover **Jesus the Truth Vs. Satan the Liar** Honolulu Cops for Christ,2020-12-11 In the Gospels Jesus called Satan the Father of Lies From the beginning of Mankind until the present Satan has been lying to mankind in order to destroy us and keep us from eternal life with God Our first ancestors fell victim to a lie of Lucifer and because of their fall all humanity fell under the influence of the devil Jesus came to earth to break Satan s power over us Jesus referred to Himself as the Light of the World and as the Truth He wants to deliver humanity out of the spiritual darkness and deception in which Satan has mankind trapped A spiritual battle rages between Jesus and Satan for the souls of men The weapons of Satan are his numerous lies The weapon of Jesus is the truth of His Word He said that the truths He taught were a solid and unshakable foundation in a world of shifting and sinking sand In Jesus the Truth vs Satan the Liar this cop for Christ exposes many of the dark lies of Satan that are spread within America s higher education system They are exposed by the light of biblical truth giving students the knowledge they need to reject the lies and all who spread them 84 84 **The Emerald Modem** Richard Leviton,2004-05-04 Twenty years ago in England author Richard Leviton discovered the planet Following quite specific guidance he began a long process that amounted to an apprenticeship My mentors dispatched me to various specific locations in the Somerset landscape and at all hours of the night and day I sat on hills and valleys and rocks under sunlight moonlight rain snow and fog and had visions I started to see another landscape behind the apparent landscape It was an apparitional landscape with stars planets galaxies angels spirits of Nature mythic deities divinity As time went on he found himself talking with angels visiting celestial cities and following gnomes He came to understand that at one level we are the planet and that both we and it have an intimate relationship with our galaxy I found myself living inside the myths of the world as if they were expert scripts for real life inner adventures I never once thought I was crazy Why should I Quite the opposite I believed I was finally getting grounded in something real But it would take me twenty years to make sense of it That sense is embodied in The Emerald Modem The Emerald Modem includes direct correspondences between human

chakras and the Earth's energy features and the galactic originalstables listing locations of sacred sites around the planet where you may experience this relationshipexplanations of world myths which provide clues to this unsuspected visionary world around us This is the first book to synthesize all the fragments of geomantic perception sacred sites energy points vertexes etc into a global interactive model that ties human consciousness directly to it Leviton describes 85 subtle features in the planetary landscape places you can go for mystical experiences They are features of the Earth's energy body almost all invisible to conventional sight But psychic cognition can be trained and you can usefully interact with any of these types of sites today without seeing what you're doing Your intent to interact for the benefit of yourself and the planet is all that's required Just as modems dial us into the Internet so the features of the Earth's energy body described in *The Emerald Modem* help us get online with the galaxy You can learn to visit Grail Castles experience a Mount Olympus or walk through the stars in a landscape zodiac and you can learn enough to become confident that you're not traveling alone *The Christian Satanic Book: An Introduction To Christian Satanism* Lucifer Jeremy White,2022-01-23 This book is an introduction to the gray sided religion of Christian Satanism It is a compact book free and in the public domain It was designed to explain Christian Satanism to those who know nothing about it It is a small book so it can easily be reproduced and shared It goes beyond an introduction however in order to give a Christian Satanist a good start It is a religion of morality and spirituality and not one diabolical in some weird way It is more for the spiritual kind of Satanist than it is for the atheistic kind and yes there are some Satanists who are atheists but this book covers Satanism in a more traditional way It is Satanism refined with Christianity and the other way around While the world should have been asking where the gray side was a long time ago we are here *The Rocky Mountain Saints; a Full and Complete History of the Mormons* T B H Stenhouse,1873

The Gospel of the Fallen Angel Geraint Ap Iorwerth,2011-09-30 From humble beginnings as a private investigator in the Heavenly Court Satan worked his way up the career ladder to become God's Chief Prosecutor It wasn't long before he branched off and started his own global enterprise as Prince of The World *The Gospel of The Fallen Angel* is Satan's exclusive honest account of the life and times of his greatest adversary Jesus of Galilee When Jesus walked on earth he gave strict orders not to let anyone know who he was My minions couldn't help themselves They kept blurting it out I had better self control Until now After 2000 years I've finally broken my silence Not bad going for the archetypal disobedient one Satan Geraint's *The Gospel of The Fallen Angel* is a first to tell the story of Jesus from Satan's perspective He tells the story of the real Jewish Jesus not the fictitious Christ of the Christian church A highly original clever often funny alternative view of the Gospels It has a lot to say about traditional Christianity that is interesting and uncomfortable Its appeal is its modern message about what it means to be human whether one is religious or not ***The Book Of Blasphemy*** Biker Bob,2004-07 God can't find three spaceships He hasn't been paying attention conventional unconventionality of post modern novels literary agent totalising explanations for the way the world is theatre programme disrupts all the conventional circuits

printed in our minds old friend of the author *The Passion and the Glory* Ysatis De Saint Simon, 2001-03-14 The Passion and The Glory The Greatest Love Story Ever Lived There have been numerous accounts of the life of Jesus but throughout the whole century there has never been a single one written from the point of view of a woman The Passion and the Glory The Greatest Love Story Ever Lived is the first Gospel written from the point of view of a woman furthermore it is the only one written from the perspective of the woman who loved Jesus passionately as a God and as a Man Mary of Magdala It is the Gospel of Mary of Magdala A Gospel for the new Century The Passion and the Glory The Greatest Love Story Ever Lived offers to the reader the most complete account of the life of Jesus the Christ that has ever been written in the history of Christianity That is it includes in it witnesses accounts of His birth miracles and stories of His Infancy the occult or lost years His mission passion and death and the rarely found mystery teachings of the Christ Jesus to His apostles after His Resurrection these although known to Theologians have only been disclosed in some rare and hard to find Apocryphal Gospels The Gospel of Mary Magdala is illuminating human intriguing and interesting because it gives us dimensions unknown to most of us of the humanity and divinity of Jesus the Christ dimensions that only the woman who loved Him experienced and can help us to know Him better At the same time it also gives to us dimensions of our humanity and our unconscious quest to recuperate our forgotten divine status Mary of Magdala is an integral part of us the fallen humanity Her fall and her redemption are both irrevocably tied to our fallen human nature and to our hopes for redemption when we read her story we are able to understand our human selves our relationship with Jesus the Christ and our divine potentials subjectively It is as if her love affair with the Christ is our own love affair with His Spirit and her rise from sin into sainthood the hope for our own future divinization As we penetrate it The Passion and The Glory The Greatest Story Ever Lived becomes our own story We learn more about Jesus His Love for us and are exposed to His Mystery teachings a priceless treasure of wisdom which is not only liberating but helps to fuel in us the innate desire to discover and recuperate our true divine nature The Gospel of Mary Magdalene is indeed a revolutionary Gospel of Love for the new minds and spirits of the Twenty first Century The Passion and The Glory The Greatest Love Story Ever Lived is a Gospel that was rejected in the past mainly because it came from a woman Things have changed what makes it most valuable in the new century is precisely that it comes from a woman A woman who was not only one of Jesus closest disciples and His most intimate companion but the one He chose to make an apostle to His apostles by making her the sole harbinger of His resurrection In an age when women don't have to bend anymore under the dark cloud of male chauvinism the Gospel of Mary Magdalene the woman who loved Jesus is more than welcome The fact that her vision of Jesus is that of a woman makes her Gospel a great love story passionate deeper and more human very different indeed from that of the male apostles Mary of Magdala lived with Jesus Christ by and through His Grace The Greatest Story of Love Ever Lived Thus it is her Gospel *Zion's Watch Tower and Herald of Christ's Presence* ,1929 *History of the Church of Jesus Christ of Latter-day Saint* Church of Jesus Christ of
