Jesus Died Does It Matter:

Shocked by the Bible Joe Kovacs, 2008-09-28 Shocked by the Bible sets the record straight with well researched controversial myth breaking assertions about what the Bible really does and doesn't say And guess on which day the Bible says Jesus died Believe it or not the Good Book doesn't mention Friday and even more surprisingly while the Bible says Jesus rose from the grave it does not say it occurred Sunday morning Remember Jesus followers found an empty tomb then But don't feel bad if you've always assumed otherwise Like countless millions of people you've just been misinformed misled or even dare we say lied to about what the Bible actually says In a stunning investigation news veteran Joe Kovacs goes on a mission to help both Christians and non Christians alike find out what the Bible really contains and what it doesn't Shocked by the Bible The Most Astonishing Facts You've Never Been Told is an educational juggernaut that relies solely on the Holy Bible to reveal hundreds of Scriptural facts that many people of all persuasions simply don't know The book instantly skyrocketed to the No 1 position in three Bible related categories on Amazon com I'm among the biggest fans of the Bible of all time says Kovacs My goal is to educate people about the solid truth of Scripture and to stop the spread of erroneous information I want people to crack open their Bibles and see with their own eyes what's actually printed on the pages and what's not It's shocking According to Scripture you won't find Three Wise Men mentioned anywhere in the story of Jesus birth For that matter none are said to have shown up at the manger in Bethlehem The truth straight from your own Bible is that an unspecified number of wise men first met Jesus as a young child in a house not a babe in a manger and it might have been more than a year after He was born Go ahead look it up for yourself Also according to Scripture you won't find a single mention of Easter eggs but you will find God warning His people not to have anything to do with a pagan fertility goddess whose name is synonymous with Easter Yes I'm a Bible believing Christian says Kovacs But I'm not here to convert anyone People are free to believe whatever they wish and can come to their own conclusions I just want to show them the biblical record is often very different from what many assume Not only will Christians love this book but I think Jews Muslims and even agnostics and atheists will get a kick out of it as well **Why Did Jesus Die and What Does That Have to Do with Me?**

Fred R. Anderson, 2022-12-28 This book looks at atonement biblically theologically historically and sacramentally Biblically it is tied to Scripture's narrative of humanity's failure to fulfill God's intention and God's subsequent covenant with Abraham fulfilled in Jesus Theologically in Jesus the eternal Logos became incarnate to fulfill God's intention to deal with sin and begin again with a new creation Jesus death was not a payment for anything to anyone It was the Triune God's non violent way of absorbing defeating and overcoming sin and death for the world Two chapters focus on sacrifice how it functioned in Israel's life with God how Paul and Hebrews use it and how it thereafter took on pagan connotations Historically three chapters review the development of atonement theories through Gustav Aul's Christus Victor After reviewing atonement theologies of the last seventy five years especially feminist critiques of them this retrieves Irenaeus and

Athanasius offering an understanding of atonement influenced by Baillie Barth Moltmann Torrance Von Balthazar Tanner and Weaver Sacramentally it describes how atonement is realized through the word baptism Eucharist and prayer Sacramental atonement nurtures those in Christ as members of God's new creation through Jesus continuing high priestly ministry of atonement until his final return **Why Did Jesus Die and What Difference Does it Make?** Michele Hershberger, 2019-10-15 The Jesus Way series helps readers encounter big questions about the reign of God in the world Concise and practical books deeply rooted in Anabaptist theology Start small Jesus and His Death Scot McKnight, 2005 Recent scholarship on the historical Jesus has rightly focused upon how Jesus understood his own mission But no scholarly effort to understand the mission of Jesus can rest content without exploring the historical possibility that Jesus envisioned his own death In this careful and far reaching study Scot McKnight contends that Jesus did in fact anticipate his own death that Jesus understood his death as an atoning sacrifice and that his death as an atoning sacrifice stood at the heart of Jesus own mission to protect his own followers from the judgment of God **The Boys' Life of Christ** William Byron Forbush, 1909

Consummation Arnold A. van Ruler, 2025-09-16 This volume complements a previous volume of translated essays by the Dutch theologian Arnold van Ruler 1908 1970 published by Wipf Stock namely This Earthly Life Matters The Promise of Arnold van Ruler for Ecotheology 2023 It offers a translation of eighteen essays on eschatology in Arnold van Ruler's Verzameld Werk Deel 5C These essays are included in chronological order under four rubrics namely a Law and Kingdom of God b The millennium c Life and death and d Later texts on eschatology The volume includes an introduction by the Dutch editor Dirk van Keulen and an editor's afterword on the promise of Van Ruler's eschatology for contemporary ecotheology

Railway Signal, 1889 **A Commentary on the Holy Scriptures: Kings** Johann Peter Lange, 1900 *The Expositor*, 1893 *Preacher and Homiletic Monthly*, 1912 *Animals in Heaven- Fantasy or Reality* Arch Stanton, 2006-06-02 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God's purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn't care for an attitude such as this because he values the life of his animals very much

Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God s creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God s purpose for them The bible explains in detail God s plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom You may then decide if the scriptures do indeed tell us animals have a soul do they have a spirit did God create them with a purpose in this life is he going to give them eternal life With God s help you will decide For more information please visit www.dutchman3d.com
