Jiyu Minken Undo To Rikken Kaishinto Japanese Edition:

The Origins of Economic Thought in Modern Japan Chuhei Sugiyama, 2005-07-22 By throwing light on economic thought in the period of the Japanese Enlightenment this book will make clear what led to the institutionalization of business and economic education the birth of the pioneer business enterprise and of serious economic journalism and the reasons behind the success of Japanese economic development

Japanese Moral Education Past and Present Yoshimitsu Khan, 1997 This book investigates the history and development of Japanese moral education and analyzes and compares current moral education with the concepts of the Imperial Rescript on Education 1890 and the shushin moral education of prewar Japan The Rescript contains Confucian and Shinto precepts and was to become the codification of the moral standards of the Japanese way of life in pre surrender Japan Despite the attempts of the Japanese education system to embrace democratic principles postwar dotoku moral education has been essentially the same as that of the prewar system The author concludes that Confucian ethics is still the engine of Japanese social cohesion and dynamics and predicts that it will continue to be so for generations to come Japan needs to find a way to converge the long held Confucian ideology with more democratic ideals and fairness to all people through moral education

[Punishment and Power in the Making of Modern Japan](#) Dani Botsman, 2005 Publisher Description

Introduction to Japanese Politics Louis D. Hayes, 2017-08-07 Introduction to Japanese Politics now in its fully updated sixth edition is a comprehensive and current review of political and public policy developments in Japan Since the previous edition Japan s economic policy has undergone significant change with a prolonged period of deflation having altered the dynamics of the Japanese economy At the same time the Abe administration has expanded Japan s international security participation previously limited by the constitution while China s activities in the South China Sea have impinged upon Japan s territorial claims This classic introduction to the Japanese political system has been revised and fully updated in this sixth edition to take into account these widespread changes in the country s political life Building on the structure and content of the previous edition this new edition covers An overview of Japan s geographical setting and history Japan s political institutions processes and actors Recent organizational ideological and policy changes in the LDP since its return to power The country s distinctive social order and its educational healthcare and public safety systems The increasingly contentious realm of foreign relations and security issues including China s expanding role and the effect of North Korea s development of nuclear weapons This broad ranging textbook continues to be essential reading for students of Japanese politics international politics and Japanese studies
