Joseph Smith Rough Stone Rolling Richard L Bushman:

Joseph Smith Richard Lyman Bushman, 2007-03-13 Founder of the largest indigenous Christian church in American history Joseph Smith published the 584 page Book of Mormon when he was twenty three and went on to organize a church found cities and attract thousands of followers before his violent death at age thirty eight Richard Bushman an esteemed cultural historian and a practicing Mormon moves beyond the popular stereotype of Smith as a colorful fraud to explore his personality his relationships with others and how he received revelations An arresting narrative of the birth of the Mormon Church Joseph Smith Rough Stone Rolling also brilliantly evaluates the prophet s bold contributions to Christian theology and his cultural place in the modern world

On the Road with Joseph Smith Richard Lyman Bushman, 2007-05-01 After living with Joseph Smith for seven years biographer Richard Lyman Bushman went on the road for a year After delivering the final proofs of his landmark study Joseph Smith Rough Stone Rolling to Knopf in July 2005 Bushman crisscrossed the country from coast to coast delivering numerous addresses on Joseph Smith at scholarly conferences academic symposia and firesides This startlingly candid memoir concludes eleven months later with an article written for Common Place in August 2006 Bushman confesses to hope and humility an unexpected numbness when he expected moments of triumph and genuine apprehension as he awaits reviews He frets at the polarization that dismissed the book as either too hard on Joseph Smith or too easy He yields to a very human compulsion to check sales figures on amazon com but partway through the process stepped back with the recognition The book seems to be cutting its own path now just as I hoped For readers coming to grips with the ongoing puzzle of the Prophet and the troublesome dimensions of their own faith Richard Bushman a temple sealer and stake patriarch but also a prize winning scholar openly but not insistently presents himself as a believer I believe enough to take Joseph Smith seriously he says He draws comfort both from what he calls his mantra Today I will be a follower of Jesus Christ and also from ongoing engagement with the intellectual challenges of explaining Joseph Smith

Mormonism Richard Lyman Bushman, 2008-04-22 This short introduction explains who Mormons are what they believe and how they live their lives Written by Richard Lyman Bushman an eminent historian and practicing Mormon this compact informative volume ranges from the history of the Church of Jesus Christ of Latter day Saints to the contentious issues of contemporary Mormonism Bushman argues that Joseph Smith still serves as the Mormons Moses Their everyday religious lives are still rooted in his conceptions of true Christianity Bushman s account examines both the positive aspects of Mormonism as well as the tensions and sorrows of Mormon life

Joseph Smith's Gold Plates Richard Lyman Bushman, 2023 According to Joseph Smith the text of the Book of Mormon was revealed to him on a stack of gold plates which he translated into English In this book renowned historian of Mormonism Richard Lyman Bushman offers a cultural history of the gold plates Bushman examines how the plates have been imagined by both believers and critics and by treasure seekers critics novelists artists scholars and others from Smith s first encounter with them to the present Why have they been remembered and how have

they been used And why do they remain objects of fascination to this day *Joseph Smith* Edward Allebest,2025-08-22 The Church of Jesus Christ of Latter day Saints has always had detractors trying to both discourage investigators from joining the church and encourage members to abandon the church Their primary tactics are to slander Joseph Smith his teachings and the church he claimed to have restored Without some fundamental knowledge about Joseph Smith and his legacy these anti LDS materials can create confusion doubt and a crisis of faith The first three essays of this collection explore Joseph Smith s character accomplishments and discipleship With that foundational information in place the reader is better prepared to examine the various controversies The fourth essay delves into the quagmire of criticisms that have enveloped Joseph Smith his doctrine and the LDS Church and suggests how to navigate the tactics used by antagonists **Women in New**

Religions Laura Vance,2015-03-13 An in depth history of selected New Religions that highlights the roles of women in their founding and continual practice Women in New Religions offers an engaging look at women s evolving place in the birth and development of new religious movements It focuses on four disparate new religions Mormonism Seventh day Adventism The Family International and Wicca to illuminate their implications for gender socialization religious leadership and participation sexuality and family ideals Religious worldviews and gender roles interact with one another in complicated ways This is especially true within new religions which frequently set roles for women in ways that help the movements to define their boundaries in relation to the wider society As new religious movements emerge they often position themselves in opposition to dominant society and concomitantly assert alternative roles for women But these religions are not monolithic rather than defining gender in rigid and repressive terms new religions sometimes offer possibilities to women that are not otherwise available Vance traces expectations for women as the religions emerge and transformation of possibilities and responsibilities for women as they mature Weaving theory with examination of each movement s origins history and beliefs and practices this text contextualizes and situates ideals for women in new religions The book offers an accessible analysis of the complex factors that influence gender ideology and its evolution in new religious movements including the movements origins charismatic leadership and routinization theology and doctrine and socio historical contexts It shows how religions shape definitions of women s place in a way that is informed by response to social context group boundaries and identity

First Vision Steven C. Harper,2019-07-15 This is the biography of a contested memory how it was born grew changed the world and was changed by it It s the story of the story of how the Church of Jesus Christ of Latter day Saints began Steven C Harper tell the story of how Latter day Saints forgot and then remembered several accounts of Joseph Smith s experience of his first vision and how Smith s 1838 account was redacted and canonized He explores the dissonance many saints experienced after discovering multiple accounts of Smith s experience He describes how for many the dissonance has been resolved by a reshaped collective memory **A Companion to American Religious History** Benjamin E.
