

Black History Month Research Project

Black History Month Research Project

Due on:

February is Black History Month. In honor of the many African Americans who stood up against inequality, and persevered in accomplishing goals even with the odds stacked against them, let's celebrate by learning more about these amazing people.

Instructions: You will choose a person from the list below to research. Then you will create either a poster or a google slideshow to present to the class. Follow each step of the instructions- become an expert on your person and teach us all about them!

- ➔ **Step One:** Some options are listed below that you may choose from or you may choose someone who isn't on the list.

History Press,2020-01-17 **BLACK HISTORY FOR KIDS SHORTCUTS THE FUN WAY TO LEARN** Many kids don't learn a lot about Black History in school. This journal not only prompts them about these facts but also gives them a chance to express their feelings and engage in critical thinking. Examples of prompts: if you had been a slave, would you have tried to escape and what is Martin Luther King's most inspirational speech to you. The journal is 6x9 inches, which makes it easy to carry around. There are 29 prompts on separate pages and cover the periods from slavery to the present. The target age range is 10 and above, but the information is valuable for any age group. A Great workbook for teachers to inspire their students to learn more about African American history. Great for students who are members of a debate team and makes a unique gift for Black History month, birthdays, Christmas, Valentine's Day, and other occasions. Trauma, Tresses, and Truth Lyzette Wanzer,2022-10-04 A Library Journal Best Social Science title of 2022. Black women continue to have a complex and convoluted relationship with their hair. From grammar and high schools to corporate boardrooms and military squadrons, Black and Afro-Latina natural hair continues to confound, transfix, and enrage members of White American society. Why, in 2022, is this still the case? Why have we not moved beyond that perennial racist emblem? And why are women so disproportionately affected? Why does our hair become most palatable when it capitulates and has been subjugated to resemble Caucasian features as closely as possible? Who or what is responsible for the web of supervision and surveillance of our hair? Who in our society gets to author the prevailing constitution of professional appearance? Particularly relevant during this time of emboldened White supremacy, racism, and provocative othering, this work explores how writing about one of the still remaining systemic biases in schools, academia, and corporate America might lead to greater understanding and respect.

Fight Like a Girl Laura Barcella,2019-08-01 Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. YesAllWomen conversations around consent, equal pay, access to contraception, and a host of other issues are foremost topics of conversation in American and worldwide media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. **Fight Like a Girl** will familiarize readers with the history of feminist activism in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause and unique portraits, artist's renderings of the feminists themselves. This artistic addition will take the book beyond simply an informational text and make it a treasure of a book.
