instructions

CONGRATULATIONS—You have selected a fine four-cycle engine. Kohler designs long-life strength and on-the-job durability into each engine...making a Kohler engine dependable...dependability you can count on.

- Parts subject to the most wear and tear (like cylinders, crankshafts, and camshafts) are made from precision-formulated castiron...and because the cast iron cylinders can be rebored, these engines can last even longer.
- Kohler engines are easy to service, all routine service parts—points, condenser, spark plug, air filter, carburetor—are easily and quickly accessible.
- Every Kohler engine is backed by a worldwide network of over 10,000 distributors and dealers. Service support is just a phone call away. Call 1-800-544-2444 (U.S. & Canada) for Sales & Service Assistance.

To keep your engine in top operating condition, follow the simple maintenance procedures given in this manual.
