Memoirs of the Empress Josephine Madame De Remusat, 2015-06-15 Claire Elisabeth Jeanne Gravier de Vergennes de Rémusat 5 January 1780 16 December 1821 was a French woman of letters She married at sixteen and was attached to the Empress Josephine as dame du palais in 1802 Talleyrand was among her admirers and she was generally regarded as a woman of great intellectual capacity and personal grace The book prospects the historical and secret memoirs of the Empress Josephine Marie Rose Tascher de La Pagerie first Wife of Napoleon Bonaparte **Memoirs of the Empress Josephine (Complete)** Claire Élisabeth Jeanne Gravier de Rémusat, 2020-09-28 NOTWITHSTANDING the date of the year in which I undertake this narrative I shall not seek to excuse the motives which led my husband to attach himself to the person of Bonaparte but shall simply explain them In political matters justifications are worth nothing Certain persons having returned to France only three years ago or having taken no part in public affairs before that epoch have pronounced a sort of

anathema against those among our fellow citizens who for twenty years have not held completely aloof from passing events If it be represented to them that nobody pretends to pronounce whether they were right or wrong to indulge in their long sleep and that they are merely asked to remain equally neutral on a similar question they reject such a proposition with all the strength of their present position of vantage they deal out unsparing and most ungenerous blame for there is now no risk in undertaking the duties on which they pride themselves And yet when a revolution is in progress who can flatter himself that he has always adopted the right course Who among us has not been influenced by circumstances Who indeed can venture to throw the first stone without fear lest it recoil upon himself Citizens of the same country all more or less hurt by the blows they have given and received ought to spare each other they are more closely bound together than they think and when a Frenchman mercilessly runs down another Frenchman let him take care he is putting weapons to use against them both into the hands of the foreigner Not the least evil of troubled times is that bitter spirit of criticism which produces mistrust and perhaps contempt of what is called public opinion The tumult of passion enables every one to defy it Men live for the most part so much outside of themselves that they have few opportunities of consulting their conscience In peaceful times and for common ordinary actions the judgments of the world replace it well enough but how is it possible to submit to them when they are ready to deal death to those who would bow to them It is safest then to rely on that conscience which one can never question with impunity Neither my husband s conscience nor my own reproaches him or me The entire loss of his fortune the experience of facts the march of events a moderate and legitimate desire for easier circumstances led M de R musat to seek a place of some kind in 1802 To profit by the repose that Bonaparte had given to France and to rely on the hopes he inspired was no doubt to deceive ourselves but we did so in common with all the rest of the world *Memoirs of the Empress*

Josephine, with Anecdotes of the Courts of Navarre and Malmaison ... Madame Ducrest (Georgette),1829 **Memoirs of the empress Josephine** Georgette Ducrest,1894 [Memoirs of the Empress Josephine \[Volume 1 of 2\]](#) Madame De

Rmusat,2016-11-05 MADAME DE R MUSAT the author born Claire de Vergennes was a woman of superior descent and endowments her grandson may feel a pardonable pride in setting forth her virtues Her father and grandfather were among the many political victims of the Revolution perishing in 1794 upon the same scaffold three days before the fall of Robespierre Her mother took the young girl and her sister to a retired spot in the valley of Montmorency whither they were followed by a friend of the family Augustin de R musat who won the hand of Claire Among the neighbours during the months of retirement from political storm was MADAME DE BEAUHARNAIS who in 1796 became the wife of Bonaparte and later the famous EMPRESS JOSEPHINE A warm friendship sprang up between the two families and when Josephine removed to Paris to take her exalted place Madame de R musat went with her as a lady in waiting while M de R musat was made Prefect of the Palace in 1802 These Memoirs are an exact record of the life of the author as well as a survey of the first years of the nineteenth century They show us what changes the establishment of the Empire effected at Court and how life there

constantly shifted to reflect the changing fortunes of its master The figure of Napoleon stands out boldly albeit sketched with an unsympathetic pen The lady in waiting s loyalty was entirely upon the side of her mistress in the latter s struggle against the Bonaparte family and when the downfall of Josephine occurred Madame de R musat followed her into retirement It was then that she took up her pen to write of historic people and affairs Her first manuscripts however were destroyed in 1815 the author fearing that they would compromise her family politically by their outspoken criticisms Napoleon had escaped from Elba and none could prophesy what a day might bring forth
