AGEAS SALISBURY INTERNATIONAL ARTS FESTIVAL

Since 1973, the Ageas Salisbury International Arts Festival has attracted over a million visitors. Besides amazing performances of theatre, dance, film and all kinds of music, the multi-arts festival also hosts literary events and exhibitions of the visual arts, some of which are free to attend. The three-week event takes place from mid-May to early June. Many of the festival venues include well-known landmarks, both in the city of Salisbury itself and the surrounding area.

The organisers of the festival always try to make the festival benefit the local community. Besides bringing large profits to the area, the event encourages the pursuit of art-orientated career development through including lots of lessons and workshops for young people. The event is regarded as one of the top arts festivals in the country, a fact highlighted by the massive number of volunteers that are required each year to help to organise and run the events.

Dear Elisa,

Thanks for your message confirming that you'll be available to help us with the organisation of the festival this year. As usual, time's running short and we've got so much to take care of!

Because you did such a great job last year, we would like to ask you to see to the organisation of all the workshops and lessons featured during this year's event. I know it's a big favour to ask of you, but you've shown really amazing organisational skills.

I'll put you in touch with some of the other people responsible for arranging the venues and the tutors, so you can put everything in order and make sure the event runs smoothly. I really believe you're the best person for the task.

Hope to hear from you soon.
Monica
