## **Living Democracy 2012 Election Edition 4th Edition:**

**Distinct Identities** Nadia E. Brown, Sarah Allen Gershon, 2016-04-14 Minority women in the United States draw from their unique personal experiences born of their identities to impact American politics Whether as political elites or as average citizens minority women demonstrate that they have a unique voice that more often than not centers on their visions of justice equality and fairness In this volume Dr Nadia E Brown and Sarah Allen Gershon seek to present studies of minority women that highlight how they are similar and dissimilar to other groups of women or minorities as well as variations within groups of minority women Current demographic and political trends suggest that minority populations specifically minority women will be at the forefront of shaping U S politics Yet scholars still have very little understanding of how these populations will behave politically This book provides a detailed view of how minority women will utilize their sheer numbers collective voting behavior policy preferences and roles as elected officials to impact American politics The scholarship on intersectionality in this volume seeks to push beyond disciplinary constraints to think more holistically about the politics of identity

**Campaigns from the Ground Up** John S Klemanski, David Dulio, Michael Switalski, 2015-11-17 Based on data from the most recent elections this book examines state house races in four key states California Texas Michigan and Virginia and creates simulations of campaign planning strategizing budgeting fundraising and winning in a variety of political contexts The authors have not only researched and taught about these issues they have conducted campaigns run for office and served in government at every level from the local to the national They have experience confronting questions of campaign ethics and crisis management and they actively embrace social media in their work Internet fundraising as well as campaign websites are among the many media subjects included This is a book not just for candidates campaign professionals and students but for all concerned citizens who want to understand the pathways of politics better

*Evaluating Media Bias* Adam J. Schiffer, 2017-07-13 Media bias has been a hot button issue for several decades and it features prominently in the post 2016 political conversation Yet it receives only spotty treatment in existing materials aimed at political communication or introductory American politics courses Evaluating Media Bias is a brief supplemental resource that provides an academically informed but broadly accessible overview of the major concepts and controversies involving media bias Adam Schiffer explores the contours of the partisan bias debate before pivoting to real biases the patterns constraints and shortcomings plaguing American political news Media bias is more relevant than ever in the aftermath of the presidential election which launched a flurry of media criticism from scholars commentators and thoughtful news professionals Engaging and informative this text reviews what we know about media bias offers timely case studies as illustration and introduces an original framework for unifying diverse conversations about this topic that is the subject of so much ire in our country Evaluating Media Bias allows students of American politics and politically aware citizens alike the means of detecting and evaluating bias for themselves and thus join the national conversation about the state of American
