Developing Early Comprehension Skills Through Picture Book Talk Donna Thomson, 2023-12-13 Developing Early Comprehension Skills Through Picture Book Talk demonstrates how strategic picture reading and playful sensory learning can develop young children's explicit and implicit comprehension skills regardless of their decoding ability. Offering an inclusive teaching and assessment approach that aligns with the Early Years Foundation Stage (EYFS) framework and supports the early adopter school initiative, it will help readers to guide children's use of picture reading for meaning strategies in preparation for more complex comprehension instruction in Year 1. The book also contains useful resources such as colour picture booklets and downloadable family workshop sessions to help guide parents in more effective picture book talk at home. It offers corresponding steps for planning teaching and assessing children's picture book talk, multisensory learning, self-questioning skills, and early reading for meaning. The methods and activities within this book specifically help to develop vocabulary, setting vocabulary, character vocabulary, general vocabulary, communication and language skills, critical thinking, and inference skills, metacognition, personal learning awareness, self-confidence, and self-regulation skills. Providing examples of practice, photocopiable resources, and step-by-step guidance for teaching key comprehension strategies and early self-regulation skills, this book is essential reading for all those who work with young children and wish to encourage a love of reading.

Exploring Maths through Stories and Rhymes Janet Rees, 2019-05-09 This practical book is packed with tried and tested activities which draw on popular stories and rhymes and use everyday materials and objects to help young children develop their understanding and enjoyment of mathematical concepts. By relating ideas of number, shape, size, and pattern to everyday contexts, stories, and experiences, *Exploring Maths through Stories and Rhymes* improves confidence, increases understanding, and develops children's desire to engage with maths. Offering a range of creative and exciting activities to encourage hands-on learning and discussion, chapters include a range of step-by-step activities which are easily adapted to varying needs, ages, and abilities. Use popular stories and nursery rhymes as a way of engaging children with mathematical thinking. Show how inexpensive everyday materials can be used to encourage learning. Include full-colour photographs, photocopiable materials, vocabulary lists, and key questions to help the reader get the most out of the ideas described. This practical text will be a go-to resource for early years practitioners and students looking to adopt a creative approach to early years mathematics.

Jasper (non ICSE) CB 1 Jyotika Gill, The Jasper series has been especially designed as per the latest guidelines provided in the National Education Policy. The books are designed to expose learners to real-life situations, enabling them to experience and respond to language in different scenarios. The series aims at the development of communicative proficiency through a graded syllabus of structural patterns and the rich and varied contexts of English literature.

Writing Skills Ks1. Irene Merish, 2001 This volume comprises a set of teacher's notes and photocopiable student activities to help Key Stage 1 pupils improve their writing skills.
