Living A Successful Christian Life:

Living a Successful Christian Life Flora O. Erome-utunedi, 2014-12-09 This book is all about the revelation that God gave to me in a dream to the Church The message is how the Church the body of Christ should live a successful Christian life God is telling the Church today that to live a Successful Christian life the body of Christ must run away from evil to embrace holiness and righteousness in a personal walk with Him The Church is encouraged to go back to the basics which are the Word of God and to be Christ followers who practice His Word The Word of God is the foundation of Christianity Where the Church has lost it God is calling His Church for true repentance to receive His forgiveness because He is willing to forgive His Church The Church today need to hear messages from the pulpit about holiness and righteousness to draw near to God The introductory chapter attempts to define success and successful as viewed by the secular world and as explain by the Holy Bible the Word of God The secular world has a view of what success is all about More often than not the world view definition of success leads to a meaningless life Success as explained by the Word of God in the Holy Bible and revealed to the world by our Lord and Savior Jesus Christ leads to a meaningful successful living The concept of living a successful Christian life as revealed by the Word of God is discussed Here ample scriptural keys to living a successful Christian life are explored The book also deals with examples of people who successfully worked with God in the Holy Bible It is clear that Christian s have no excuse not to follow the precepts ordered by God and further expounded on by Jesus Christ It is possible to work with God and be successful by His grace Combining the scriptural keys and the examples of those that successfully worked with God should provide us with the needed impetus to live a successful Christian Life Critical success factors in addition to the above are further discussed in this book These are fearing the Lord God Almighty knowing the Lord Jesus Christ and honoring your father and mother The fear of the Lord is the beginning of wisdom a good understanding have all they that do his commandments his praise endureth forever Psalms 111 10 KJV Divine understanding and wisdom comes from the power that is in the Word of God To know Jesus Christ is the key to success and through Him the Church is made righteous To live a long and satisfying life we must honor our fathers and mothers My prayers are for you to read and meditate on this book but keep in mind that the Holy Bible must always remain the primary guide of the Church And by using this guide I have no doubt that not only will you experience visible changes in your walk with Christ it will also ultimately lead you to become a successful Christian by His grace Let us hear the conclusion of the whole matter Fear God and keep his commandments for this is the whole duty of man For God shall bring every work into judgment with every secret thing whether it be good or whether it be evil Ecclesiastes 12 13 14 KJV To live a successful Christian life is challenging but is possible by His grace When a Christian takes the right decision to live for God he or she realizes that there is no better life outside following Jesus Christ Let us not be fooled by the glamour and the illusions of wealth fame and self righteousness or be religious without the power of God Now is the time to decide to follow God the alternative will lead to nowhere a life in cycles And now dear brothers and sisters

Rogers,2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today s difficulties according to and surrounding God s Word the Bible and Christianity Did God simply hit the start button on creation and walk away like it sometimes feels He is almost always active with us daily hourly minute by minute Life is beautiful if we allow it to be and we are blessed beyond measure Your success depends on what you truly believe what drives your existence If you work hard enough at what your heart s desire is about it will happen especially if you are working at something in God s name and in His timing Remember God s plans for you existed before you were born So what do you spend your time on Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time However sometimes fires do occur and must be put out The distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don t even remember why you are there If something pops up that requires your attention write it down on your to do list Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one s normal Christian values This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career It is in that mode that it was developed The Secret of Abundant Life Nosa Eke,2014-11-26 Abundant life begins with Jesus Christ he is the water of life and the champion of our faith The enemy would have us in poverty and misery riddled with ill health and sadness Jesus declared boldly and authoritatively I am the door if anyone enters by me he will be saved and will go in and out and find pasture The thief does not come except to steal to kill and to destroy I have come that they may have life
