Undoubtedly they will face the ghosts of their pasts but will those ghosts destroy them or forever bind them *Dangerous Secrets* Lisa Renee Jones, 2012-04-05

Being a divorce attorney for the rich and famous isn't all it's cracked up to be. Julie Harrison has learned that love doesn't last and she's sworn never to make the same mistakes as her mother or her clients. She uses the games men play to keep them at a distance. The only man who managed to break down her walls was Luke Walker, a Navy SEAL who loved her and left her and changed her forever. When Luke arrives back in New York running Walker Security with his brothers and having left his Navy SEAL days behind, he sets his sights on Julie, the woman he's always wanted and couldn't have. Except she runs from him every time he gets close. But now one of Julie's clients, a powerful judge, gets involved with a dangerous cartel and his soon-to-be ex-wife ends up dead. Julie's next on the list and she finds herself on the run from those who believe she knows too much and counting on Luke to keep her alive. In the deepest, darkest moments of the night, passion will bring them together while danger threatens to tear them apart. Unlike other recent books in the field that focus on certain aspects of the Gothic, this work directs researchers to seminal and significant resources on all of its aspects. Annotations will help researchers determine what materials best suit their needs. *A Research Guide to Gothic Literature in English* covers Gothic cultural artifacts such as literature, film, graphic novels, and videogames.
