As We Walk Through the Valley Amy Conner, 2011-09-21 Late one August evening Amy Conner was awoken from her sleep and given the most devastating news she had ever received Her husband Curt had

died at the painfully young age of thirty two in an accident while hunting She and her two young children ages four and two at the time were sent reeling into grief With the unending support from her friends and family Amy was eventually able to find herself in a place of healing and hope She has written this book for her children to remind them of the honorable and loving man their father was In addition she has felt compelled to help any young widow who has had to suffer a loss such as hers by sharing her story There is light strength and peace to be found in this walk in the valley of the shadow of death reference to the Bibles Psalm 23 You just have to open your heart and believe Luke, I Am Your Daddy Martin Medina, Terri Medina, Mia Mueller, Rico Medina, 2014-11-17 On January 25 2003 my mom gave me a journal as a gift when she heard the fantastic news my wife Tina and I are expecting our first child The more I wrote the more I felt compelled to continue writing Ten and a half years later I have a collection of eight journals containing daily entries about my son Luke s life and adventures since his mom was four weeks and five days pregnant I found my reason for the journaling Our son Luke has been diagnosed with an extremely rare heart condition Restrictive Cardiomyopathy and the only known cure is a heart transplant Minimal research is being done to find a cure less invasive than a heart transplant Transforming Luke s journals into a series of books is my best shot to raise funds and awareness for research to find a cure for Restrictive Cardiomyopathy The first book covers journal entries from January 25 2003 through November 17 2010 the day Luke was diagnosed with Restrictive Cardiomyopathy We plan to continue converting Luke s journals into more books the second book will be journal entries from November 18 2010 through the first day of middle school And should Luke continue to let me journal his life s adventures we will continue the series My hope is that you will enjoy reading Luke s journal Expecting parents will find helpful real life examples of child development For fans of reality shows life does not get any more real than this Medical professionals in the cardiology field may discover this story of a child born with Restrictive Cardiomyopathy is very helpful in understanding how the disease can affect a life For transplant recipients such as Luke s mom Tina who is 22 years post heart transplant this book is sure to inspire Some entries are short some are a bit long Some may be boring while others I hope are captivating I am leaving nothing out choosing to include everything as it happened for the sake of honesty and reality I hope you are intrigued and moved to help in our mission *Because of Savannah* Sarah Patt, 2015-07-09 Dakota Buchannan believes there can be nothing worse in life than losing her mother until her father suddenly dies leaving her orphaned at sixteen As she attempts to muddle her way through the funeral Dakota is introduced to a man twice her age who looks remarkably like her father Moments later it is revealed that Luke is the son her father never knew he had and her brother Luke invites her to join his family with the option of returning to Fort Worth to live with her bachelor uncle if she is not happy Despite influence from Lukes narcissistic wife it does not take long before their adorable four year old daughter Savannah captivates Dakota As things begin looking up for Dakota she meets a college graduate at a barbeque setting off fireworks in her love life But when her uncle falls victim to a near fatal hit and run Dakota is compelled to revisit her old home where the
