Lust Is A Many Splendored Thing The 0s Erotic Classic:

The Book Review Digest ,2006 **The DVD-laser Disc Newsletter** ,2003 **The Many Splendored Thing** James Babcock,2022-04-16 Love Some give it some have it some lose it all want it Among the young and old past and present foreign and familiar the emotion appears with many facets curiosity longing hope sentiment playfulness excitement bliss elation obscenity guile suspicion jealousy cruelty sadness loss So various are the moods of love that it is impossible to deal with all of them in a single novel Thus the short story is chosen here as the vehicle to cover the waterfront so to speak as we set sail for the stormy waters of lust romance and love an amusing voyage best made without equivocation or euphemism You may laugh at most of these stories and perhaps shed a tear at others but with all of them you will nod in recognition of what you know to be true about the many splendored thing **The Romance of Lust (Volumes 1-4)** By Anonymous,2013-02-08 The Romance of Lust is elegant explicit and shocking Written by an anonymous author this classic Victorian era erotic novel traces the sexual awakening of Charlie Roberts an infinitely potent teenager indulging in his lust for refined partners of the highest social standing and most sinful desires Partially censored until 1968 the complete text touches on taboo subjects Content is recommended for adults only *The Romance of Lust* ,2013-07-01 A brief description of The Romance of Lust as described by Pisanus Fraxi in his book Catena Librorum Tacendorum Altogether The Romance of Lust though no masterpiece of composition is far better written than most English works of its class It contains scenes not surpassed by the most libidinous chapters of Justine The episodes however are frequently most improbable sometimes impossible and are as a rule too filthy and crapulous No attempt is made to moderate the language but the grossest words are invariably employed The last 26 pages of the 4th volume are occupied by Letters produced in the Divorce Case Cavendish v Cavendish and Rochefoucault They are 12 in number and were written by the young Count De La Rochefoucault in 1859 while attach to the French Embassy at Rome No pen can adequately depict their nasty licentiousness and it would appear from allusions they contain that those from the lady to whom they were addressed were still worse The author of The Romance gives the following account of them When the husband s counsel handed up the letters with the sworn notary s translation he remarked that he thought they were too horribly scandalous to be read in Court The judge scanned a few of them and addressing the Count sic said I am perfectly of your opinion my learned brother I shall take them home and make a point of them in my address to the Jury Some of the letters are a string of imaginary events as to how far they could carry their imaginations The Count constantly alludes to the inferiority of his descriptions to those given in her replies Alas as he possesses those exciting replies of the lady they cannot be got at but from his descriptions and the remarks on certain gross familiarities it is evident she was gifted with as lascivious and lustful a temperament as either my aunt or the divine Frankland two characters in The Romance of Lust Surely fact is stranger than fiction But let us return to the novel the title of which heads my notice The Romance of Lust is not the product of a single pen but consists of several tales orient pearls at

random strung woven into a connected narrative by a gentleman perfectly well known to the present generation of literary eccentrics and collectors as having amassed one of the most remarkable collections of erotic pictures and bric a brac ever brought together He was also an ardent traveller and The Romance of Lust was composed during a voyage he made to Japan

Lust Weekend Lawrence Block, 2021-03-27 Lawrence Block on Lust Weekend LUST WEEKEND was written in 1962 and published that same year by Nightstand Books The title s an obvious play on THE LOST WEEKEND Charles Jackson s groundbreaking novel of alcoholism The book was a sensation as was the film adaptation starring Ray Milland The people at Nightstand generally changed the titles on my manuscripts But LUST WEEKEND made the cut and I m sure I came up with the title first and wrote the book to fit Lust was a favorite word at Nightstand where they wanted to excite the readers without alarming the censors Lust and slut were favorites I gave one book the can t miss title LUST SLUT but they changed it Go figure A confession in the ordinary course of things I don t read these early titles before reissuing them in the Collection of Classic Erotica Like most writers I find it difficult to look back at my earliest work But in this case I had absolutely no recollection of the book although a glance at the very first page made it clear that it was unquestionably my work I was pretty sure it all took place in the course of a single turbulent weekend that much was implicit in the title and again the first page confirmed my suspicion But I read on because I have to admit I liked the writing Really what s not to like Between the hours of four and five Friday afternoon Jordan Flagg sat behind a free form desk and jotted notes and numbers on sheets of yellow manila paper The desk was Scandinavian and in recent years the Scandinavians had developed a penchant for taking a perfectly ordinary garden variety sort of thing like a desk and designing it in the approximate inglorious shape of a kidney Jordan Flagg s desk looked like a kidney The wood was well polished walnut that glowed like plastic and the whole desk itself was so determinedly graceful that it looked as though it were capable of dancing Jordan Flagg liked the desk Flagg liked things to be modern Although he never found time to go to a museum or to browse in galleries he was an ardent fan of modern art He read only recently published books went only to first run movies and pretty much stuck to tastes and pursuits which if not actually futuristic were at least determinedly up to date The kidney shaped desk reflected this So did the Bigelow on the floor the title on the door the close cropped crewcut on his head the heavy horn rimmed glasses the natural shoulder suit the ultra slim attach case the architect designed contemporary home in Fairfield County the clean hands with their manicured nails the nerve on his forehead with its slight tendency to twitch and so on and so on and so on Jordan Flagg was modern Period I read on and the narrative moved from one character to another and before I knew it hooker named Lily Merriman was quoting a parody of Longfellow s poem about the village blacksmith Under the spreading chestnut tree The village idiot sat Amusing himself by abusing himself And catching the drops in his hat Now I didn t make that up nor do I remember who did but I suspect it s almost as venerable as the original But to my utter astonishment that s not how it reads in Nightstand s edition where it goes like so Under the spreading chestnut tree The village idiot sat Amusing himself by

abusing himself And singing a quarter tone flat I can but guess that a Nightstand editor worried that any reference to ejaculation would rouse a censor from his long sleep But what a creative solution It rhymes it scans and if it doesn't make a great deal of sense well it comes close enough I wonder who made the substitution leaving it to me to discover his work 60 years later Nightstand was the creature of Bill Hamling who had grown up in science fiction at one time or another his staff included such SF types as Earl Kemp Algis Budrys and Harlan Ellison You know what I bet it was Harlan

In cold weather I used to sit on a low stool by the fire Miss Evelyn was seated in front I had my lesson book on my knee and she herself would place her beautiful feet on the high school fender with her work in her lap while she heard my sisters repeat their lesson totally unconscious that for half an hour at a time she was exposing her beautiful legs and thighs to my ardent gaze for sitting much below her and bending my head as if intent on my lesson my eyes were below her raised petticoats Her close and tight fitting white stockings displayed her well formed legs for while confined to the house during our morning lessons she did not wear drawers so that in the position she sat in with her knees higher than her feet on the already high fender and her legs somewhat apart to hold her work in her lap more easily the whole glorious underswell of both thighs and the lower part of her fine large bottom with the pinky slit quite visible nestled in a rich profusion of dark curls were fully exposed to my view

VOLUME I CONTENTS The Novice Mrs Benson Mary Mrs Benson's Correspondence with Mrs Egerton Miss Evelyn Eliza There were three of us Mary Eliza and myself I was approaching fifteen Mary was about a year younger and Eliza between twelve and thirteen years of age Mamma treated us all as children and was blind to the fact that I was no longer what I had been Although not tall for my age nor outwardly presenting a manly appearance my passions were awakening and the distinctive feature of my sex although in repose it looked magnificent enough was very sufficiently developed when under the influence of feminine excitement As yet I had absolutely no knowledge of the uses of the different organs of sex My sisters and I all slept in the same room They together in one bed I alone in another When no one was present we had often mutually examined the different formations of our sexes We had discovered that mutual handlings gave a certain amount of pleasing sensation and latterly my eldest sister had discovered that the hooding and unhooding of my doodle as she called it instantly caused it to swell up and stiffen as hard as a piece of wood My feeling of her little pinky slit gave rise in her to nice sensations but on the slightest attempt to insert even my finger the pain was too great We had made so little progress in the attouchements that not the slightest inkling of what could be done in that way dawned upon us I had begun to develop a slight growth of moss like curls round the root of my cock and then to our surprise Mary began to show a similar tendency As yet Eliza was as bald as her hand but both were prettily formed with wonderfully full and fat mounts of Venus We were perfectly innocent of guile and quite habituated to let each other look at all our naked bodies without the slightest hesitation and when playing in the garden if one wanted to relieve the pressure on the bladder we all squatted down together and

crossed waters each trying who could piddle fastest Notwithstanding these symptoms of passion when excited in a state of calm I might have passed for a boy of ten or eleven My father had left us but moderately provided for and mamma wishing to live comfortably preferred giving me lessons along with my sisters at home to sending me to school but her health beginning to fail she inserted an advertisement in the Times for a governess Out of a large number of applicants a young lady of the name of Evelyn was selected Some ten days afterwards she arrived and became one of the family We did not see much of her the first evening but after breakfast the following morning mamma accompanied her to what was considered our school room and said Now my dears I place you under Miss Evelyn s care you must obey her in all things she will teach you your lessons as I am unable to do so any longer Then turning to our new governess I fear you will find them somewhat spoiled and unruly but there is a horse and Susan will make you excellent birch rods whenever you require them If you spare their bottoms when they deserve whipping you will seriously offend me As mamma said this I observed Miss Evelyn s eyes appeared to dilate with a sort of joy and I felt certain that severely as mamma had often whipped us if we should now deserve it Miss Evelyn
