This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before reaching a final decision, which could have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question paper and the report on the examination.

• Cambridge will not enter into discussion or correspondence in connection with these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2011 question papers for most IGCSE, ASCE, Advanced Level and Advanced Subsidiary Level subjects and some Ordinary Level syllabuses.
