David A. deSilva,2021-04-29 The book of Revelation has been received over the past several centuries with both fascination
and aversion but one thing is certain it has profoundly shaped Christian history and culture And the way it has shaped history
and culture has been determined in large part by how the book has been variously and sometimes irresponsibly interpreted
David A deSilva addresses the interpretation and reception history of Revelation in this compact up to date and student
friendly introduction to the book of Revelation focusing on its structure content theological concerns key interpretive debates
and historical reception *Discovering Revelation* draws on a range of methodological approaches author text and reader
centered as complementary rather than mutually exclusive ways of interpreting the text DeSilva pays special attention to
defining features of Revelation such as its use of sequences of seven as a major structuring device its nonlinear plotline and
its deployment of contrast and parody As deSilva writes A text as rich and multidimensional as Revelation calls for its readers

Anthropology and the Hebrew Bible Emanuel Pfoh,2022-12-15 This handbook presents an overview of the main
approaches from social and cultural anthropology to the Hebrew Bible Since the late 19th century biblical scholarship has
addressed issues and themes related to biblical stories from a perspective which could now be considered socio
anthropological It is however only since the 1960s that biblical scholars have started to produce readings and incorporate
analytical models drawn directly from social anthropology to widen the interpretive scope of the social and historical data
contained in the biblical sources The handbook is arranged into two main thematic parts Part 1 assesses the place of the

Bible in social anthropology examines the contribution of ethnoarchaeology to the recovery of the social world of Iron Age Palestine and offers insights from the anthropology of the Mediterranean for the interpretation of the biblical stories Part 2 provides a series of case studies on anthropological themes arising in the Hebrew Bible These include kinship and social organisation death cultural and collective memory and ritualism Contributors also examine how the biblical stories reveal dynamics of power and authority gender and honour and shame and how socio anthropological approaches can reveal these narratives and deepen our knowledge of the human societies and cultural context of the texts Bringing together the expertise of scholars of the Hebrew Bible and Biblical Archaeology this ethnographic introduction prompts new questions into our understanding of anthropology and the Bible

The Revelation Worldview Jon K. Newton, 2015-02-06 Does Christianity have anything useful or credible to say to the twenty first century or is it just a relic of a past era doomed eventually to die a long and painful death perhaps to be replaced by the new atheism or another religion In an original contribution to such debates The Revelation Worldview is a bold attempt to construct a biblically based Christian worldview that makes sense to postmodern people It also seeks to make the book of Revelation one of the most strange and difficult books in the Bible relevant to issues facing people in the twenty first century Jon K Newton wrestles with the complex notion of worldview tells the story of the changing Western worldview from its ancient and medieval beginnings through the modern era and into the unpredictable world of postmodernism and compares the worldview found in Revelation with other worldviews of its day He then uses Revelation as a source for identifying some basic Christian answers to questions such as What is real How do we know anything How can religious knowledge claims be justified How can we understand the concept of the human person How can we make sense of history And how should we respond to pluralism
