

The background of the cover is a photograph of a city street at night. The street is wet and reflects the lights. In the distance, a bright light source, possibly a fire or a large explosion, illuminates the scene. Two figures, an adult and a child, are walking away from the viewer towards the light. The buildings on either side of the street are dark, with some windows lit up.

## **Last Man Standing English Edition:**

Last Man Standing Jack Olsen, 2001-11-06 Jack Olsen's *Last Man Standing* is the gripping story of Geronimo Pratt, war hero and community leader who was framed by the FBI in one of the greatest travesties of justice in American history. Geronimo Pratt did not commit the murder for which he served twenty-seven nightmarish years. As a UCLA student though he had led the Los Angeles Chapter of the Black Panther Party and became a target of the FBI. Here is the spellbinding saga of Pratt, his heroic lawyers Johnnie Cochran and Stuart Hanlon, and the Reverend James McCloskey who overcame all the odds to bring the truth to light and free Geronimo.

**Last Man Standing** Danielle Sarver Coombs, 2013-11-14 When Barack Obama was re-elected president in November 2012, his Republican challenger Mitt Romney took the blame for being alternately too moderate or too conservative. Critics from both within and outside of his party claimed his vast wealth made him unappealing to voters and that his robotic persona meant he just could not connect. How then did he win the nomination? What happened during the twelve-month build-up to Romney being named the presumptive nominee for the Republican Party that helped define him as both a man and a candidate? Furthermore, how did media coverage frame his competitors and the race itself, a contest characterized by its rollercoaster nature? *Last Man Standing* examines mainstream media coverage of the 2012 Republican primary season to identify and examine the frames used to make sense of the candidates and the race. Through an exhaustive analysis of candidate-related coverage from six major media outlets—The New York Times, Wall Street Journal, and Washington Post for newspapers; CNN, Fox News, and MSNBC for cable news networks—Coombs weaves her examination of media frames into a compelling narrative reconstruction of the 2012 primary season. This book features exhaustive analysis of mainstream media coverage over a twelve-month period, smart insightful exploration of media frames, chronological structure which allows for analysis to address how frames shift with candidate's fortunes.

**The Treblinka Death Camp** Chris Webb, 2014-04-01 This book is the definitive account of one of history's most infamous death factories where approximately 800,000 people lost their lives. From the Nazis who ran it to the Ukrainian guards and maids, the Jewish survivors, and the Poles living in the camp's shadow, this text represents every perspective. It provides biographies of the Jews who perished in the death camp as well as those who escaped from Treblinka in individual efforts or as part of the mass prisoner uprising on August 2, 1943. It also includes unique and previously unpublished sketches of the camp's ramp area and gas chamber drawn by survivors.

**New York Magazine**, 1996-10-14 New York Magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
