Law Order Episdoe Guide:

Law & Order Kevin Courrier, Susan Green, 1999-11-20 Whether you tune in each week to see veteran Detective Lennie Briscoe analyze clues with wild card partner Ed Green in the first half of the show or to see Assistant District Attorney Jack McCoy invoke justice in the courtroom in the second half you cannot help but get involved with the most human characters on television With these powerful characters and socially relevant stories ripped from today's headlines it is difficult to tell whether you are watching the evening news or one of the most intense dramas ever seen on television *Law Order The Unofficial Companion* was written with the cooperation of the show's creator and executive producer Dick Wolf and features interviews with the stars producers and writers It is the first ever guide to this popular Emmy award winning police drama You'll get the inside scoop on the past and current stars of the show including Paul Sorvino Jerry Orbach Jesse L Martin Christopher Noth S Epatha Merkerson Sam Waterston Carey Lowell Angie Harmon and Michael Moriarty and find out who was fired who left willingly and who remains the show's continued problems with censorship issues and advertiser fallout the behind the scenes anecdotes about cast regulars including the fights both verbal and physical that have peppered the production how Wolf was forced to increase the estrogen and decrease the testosterone on the show the detailed history behind the creation and development of the show and season by season critiques of each episode through the entire 1999 season

Law & Order: Special Victims Unit Unofficial Companion Susan Green, Randee Dawn, 2009-09-01 The *Law Order Special Victims Unit Unofficial Companion* is a comprehensive guide covering the first 10 seasons and includes a synopsis and an objective analysis for each episode as well as commentaries or recollections from the people involved in crafting the one hour tale It goes after the heart of SVU through interviews with actors writers producers casting agents location scouts and others The authors peek behind the scenes of the bicoastal operation observing the progress of an entire episode shot in New York City and a script fine tuned in Los Angeles The book provides fascinating insight delighting SVU devotees who love on screen and backstage trivia In addition creator Dick Wolf offers readers a gripping foreword to the book

The Aesthetics of Violence in Contemporary Media Gwyn Symonds, 2011-11-03 The topic of violence in the media seems as inundated as can be Countless studies and research projects have been conducted mostly to show its negative effects on society What Gwynneth Symonds proposes though takes this significant topic one step further studying the aesthetics of media violence By defining key terms like the graphic nature and authenticity of violent representations and discussing how those definitions are linked to actual violence outside the film and television screen Symonds broadens the arena of study Engagingly written *The Aesthetics of Violence in Contemporary Media* fills an important gap Symonds uses existing studies for the empirical audience reception data together with discussions of the different representations of violence to look at violence in the media as an art form in of itself By looking at *The Simpsons* *Bowling for Columbine* and *Norma Khouri's Forbidden Love* just to name a few Symonds cross analyzes violence in multiple media to see their affective role in audience
