**The Complete Yachtmaster** Tom Cunliffe, 2003 When it was first published The Complete Yachtmaster proved immediately popular with a wide range of readers from skippers and crew to Yachtmaster students bringing together as it does all the essentials of modern cruising within one volume Although the boat handling and seamanship sections of this book have required only minor alterations other areas of the book have evolved to keep in line with the revolution in navigation Tom Cunliffe is not only an examiner of RYA Yachtmaster Instructors he is very much an active sailor who runs up a heavy annual mileage in his own cruising yacht This combination has enabled him to communicate the ever advancing potential of electronic navigation techniques better than most In this fourth edition of what has become a standard work he shows the modern skipper how to use today's exciting equipment to refine a philosophy of navigation which has not changed since the beginning of seafaring Throughout the book Tom Cunliffe never lets the reader forget that no single skill can be divorced from the wide range of knowledge that makes up the armoury of the complete Yachtmaster The latest edition of The Complete Yachtmaster is required reading for anyone skippering a yacht For examination candidates whether on board or in the classroom it guides the reader as authoritatively and reassuringly through the syllabus as a sea pilot bringing a ship to harbour Book jacket
