Cook* Haruko Taya Cook, 1992 Japanese War Brides in America Miki Ward Crawford, Katie Kaori Hayashi, Shizuko Suenaga, 2009-11-25 Following the end of World War II 500 000 American troops occupied every prefecture of Japan and interracial marriages occurred The sudden influx of 50 000 Japanese war brides during 1946-1965 created social tension in the United States while opening up one of the country's largest cross cultural integrations This book reveals the stories of 19 Japanese war brides whose assimilation into American culture forever influenced future generations depicting love strength and perseverance in the face of incredible odds The Japanese war brides hold a unique place in American history and have been called ambassadors to the United States For the first time in English these women share their triumphs sorrows successes and identity in a time when their own future was tainted by social segregation This oral history focuses mainly on women's lives in the period following World War II and the occupation of Japan It illuminates the cultural expectations the situations brought about by the war and effects of the occupation and also include quotes from various war brides regarding this time Chapter interviews are set up in chronological fashion and laid out in the following format introduction of the war bride how she met her husband her initial travels to America and life thereafter Where needed explanations translations and background history with references are provided **Writing Japan's War in New Guinea** Victoria Eaves-Young, 2025-10-01 Tamura Yoshikazu is destined to die on the alien shores of the New Guinea warzone Devoid of family contact perplexed by the unfamiliarity of his environment deprived of even meagre amenities and faced with the spectre of debilitating illness and starvation this solitary soldier commenced a diary in the early part of 1943 Employed in the hard labour of building airstrips he is ground down by tedium disheartened by the now dysfunctional military hierarchy consumed by grief at the meaningless deaths of comrades and stripped of any chance of being involved in an aspect of war that he considers heroic and meaningful Profoundly unsettled by all that appears to be at odds with the kokutai ideology

Tamura employs strategies through the vehicle of his diary to enable him to remain committed to the pathway of death on behalf of the Emperor

The Sino-Japanese War and Youth Literature Minjie Chen, 2016-01-22 The Sino Japanese War 1937-1945 was fought in the Asia Pacific theatre between Imperial Japan and China with the United States as the latter's major military ally An important line of investigation remains questioning how the history of this war has been passed on to post war generations consciousness and how information sources particularly those exposed to young people in their formative years shape their knowledge and bias of the conflict as well as World War II more generally This book is the first to focus on how the Sino Japanese War has been represented in non English and English sources for children and young adults As a cross cultural study and an interdisciplinary endeavour it not only examines youth orientated publications in China and the United States but also draws upon popular culture novelists memoirs and family oral narratives to make comparisons between fiction and history Chinese and American sources and published materials and private memories of the war Through quantitative narrative analysis literary and visual analysis and socio political critique it shows the dominant pattern of war stories traces chronological changes over the seven decades from 1937 to 2007 and teases out the ways in which the history of the Sino Japanese War has been constructed censored and utilized to serve shifting agendas Providing a much needed examination of public memory literary representation and popular imagination of the Sino Japanese War this book will have huge interdisciplinary appeal particularly for students and scholars of Asian history literature society and education

MacArthur's Jungle War Stephen R.
