**Lessons of the Heart** Michèle Israel, 2015-01-10 Charlie is fed up with his old man's midnight intrusions and drunken bouts. At 15 it's hardly his job to be the parent much less having to financially fend for himself and his younger brother. Had it not been for Penny the girl he has loved since age 12 he might have turned to the bottle himself. Just when things are starting to look up his lawn mowing business is thriving he's that much closer to buying a car grades are good and he and Penny are tighter than ever his father sobers up. Why? Her name is Zelda. The shapely buxom redhead slithers her way into Edward's heart eager to be a wife not necessarily a mother. After her mind blowing attack on Charlie and her ridiculous ultimatum to their father the boys find themselves packed and shuttled off to a group home across the State. But not before Charlie stumbles upon a scrapbook in the attic with proof of a huge family secret that is directly related to him. Feeling lost and betrayed and with no one to rely on but each other Charlie is stunned with the news of Penny's first letter. From group home to foster homes Charlie comes to realize he has a lot to learn about life and why people are the way they are. *Lessons of the Heart* set in the 1970s illustrates the bond between brothers whose family is torn apart by tragedy. It depicts the realities of life of human frailties and injustices. It is a story about love and hatred joy and pain loyalty and betrayal and through friendships hope and forgiveness lies the answers to set us free. *The New International Lesson Annual 2013-2014*, 2013
