Made In Edinburgh Poems And Evocations Of Holyrood Park:

Made in Edinburgh Tessa Ransford, 2014-01-02 For the last thirty years poet Tessa Ransford has lived in view of Arthur's Seat and Holyrood Park Drawing on the paradox of variety within stability as the landscape changes yet remains constant over the years and seasons Ransford has built up this collection over many years in response to the view from her window The beautifully descriptive poetry is accompanied by full colour photography throughout **The Road to Meikle Seggie** Richard Demarco, 2020-05-22 To travel the road to Meikle Seggie is to undertake any journey which offers unexpected opportunities for intellectual growth and self discovery In the 1970s Richard Demarco embarked on a series of journeys starting in Edinburgh to recover a sense of our living culture in the environments around us These radiated out across Europe underpinning the internationalism of this unique Scottish Italian artist's own extraordinary journey Forty years later the journey is renewed with this reproduction of Demarco's original artwork and his first Meikle Seggie essay along with a new translation into Italian and a new introduction **The Oxford Companion to Scottish History** Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen London Calling, 1955 **Arthur's Seat** Stuart McHardy, 2013-07-22 Arthur's Seat is climbed or walked up and around by thousands of people each year The views from the top of the 350 million year old landmark are breathtaking In this book Stuart McHardy and Donald Smith interweave the tales of folklore and customs that surround this iconic hill Review Draws on folklore tales and real life stories to create a unique walkers guide to the famous ridges crags and valleys that make up the hill EDINBURGH EVENING NEWS Back Cover Standing in the Hunter's Bog with the Salisbury Crags to the west Dasses to the east and the great summit crag rising above you could be deep in the Highlands There is no sight and very little sound of the modern cityscape all around STUART McHARDY Arthur's Seat rising high above the Edinburgh skyline is the city's most awe inspiring landmark Although thousands climb to the summit every year its history remains a mystery shrouded in myth and legend Quickly and suddenly we lose the sense of city Through the park is now surrounded by Edinburgh it still retains a sense of wildness DONALD SMITH The first book of its kind Arthur's Seat Journeys and Evocations is a salute to the ancient tradition of storytelling guiding the reader around Edinburgh's famous Resting Giant with an exploration of the local folklore and customs associated with the mountain within a city Inspired by NVA's Speed of Light a major event in Edinburgh's International Festival and the country wide Cultural Olympiad Journeys and Evocations brings together past and future in a perspective of the Edinburgh landscape like no other A place where time does not pass but simply adds up ROBERT GARIOCH From the Lang Rig Kate Murray, 2010 **Edinburgh**
