

A romantic couple is shown in a close embrace, nearly kissing. The woman has long, dark, wavy hair and is wearing a light-colored, possibly white, dress. The man has short, dark hair and is wearing a dark, possibly black, shirt. They are standing in a field of tall, dry grass or reeds. The background is slightly blurred, emphasizing the couple. The overall mood is intimate and romantic.

Madeleine Abducted M. S. Willis, 2014-02-11 Content Warning This book contains graphic sexual situations mature language and explicit description of sexual violence She was meant to be his destruction A pawn played in a perilous game between father and son Yet her strength was more than either man could imagine As Maddy learns to save herself She becomes the one thing that could set the son free Madeleine Clark was raised to become a concert cellist Sheltered and naive she remains hidden behind her music a protection from the world around her On the night of her first solo performance Maddy accepts the admiration of a stranger and finds herself captive in a cruel and twisted power struggle between a sadistic father and his son Aaron Seemingly dangerous and uncaring Aaron manages the business operations of his father's estate Wanting nothing to do with the slaves kept at the Estate Aaron refuses to take part in the deeper depravities of his father Despite his resistance Aaron's father gifts him with a petite brunette woman he can't refuse A bond forged in conspiracy and deceit Aaron struggles to save Maddy by teaching her to survive in the world in which he'd been raised An unlikely union Aaron soon learns that great strengths can exist within small packages while Madeleine learns that love and light can exist in the darkest of places *Madeleine Abducted* is Book 1 of The Estate Series Each book is a stand alone and will not have cliffhangers *The Voices of Suspense and Their Translation in Thrillers* Susanne M. Cadera, Anita Pavic

Pintaric, 2014-03-05 The volume aims to be a reference work for all researchers interested in the study of fictional dialogue and its translation in suspense novels and films as well as in related genres The volume also aims to determine the interplay between the creation of suspense and fictional dialogue The particular interest in dialogue comes from the host of roles it plays in fiction It helps create suspense and arouses a whole range of feelings in the reader or the audience related to the development of the plot Fictional dialogue is the discursive method of evoking orality conferring authenticity and credibility on a plot and giving fictional characters a voice As a narrative strategy dialogue is an important resource that enables the writer to shape the character's subjectivity In thrillers the character's voice is part of the process of creating suspense an element of uncertainty anxiety and excitement which is not exclusive to this genre To clearly differentiate suspense from the tension created by other types of fiction this volume aims to study the relationship between the characters' voices and the building of suspense and to describe the translation difficulties arising from this particular interdependence **Reference**
