Macrina Sourdough Bread Recipe:

Leslie Mackie's Macrina Bakery & Cafe Cookbook Leslie Mackie, 2010-06-01 All of Seattle knows of Macrina's irresistible artisan breads. Whether your tastes run to rustic potato pear and cracked pepper or crisp crackly baguettes, you can find your favorite at grocery stores and gourmet shops throughout the region along with more than 100 restaurants in the Puget Sound region. Or let your nose guide you in the early morning hours through the heart of Seattle's Belltown where the smell of fresh yeasty loaves hot from the brick oven wafts from Macrina Bakery Caf. **More from Macrina** Leslie Mackie, 2012-10-30 Leslie Mackie opened Macrina Bakery Caf in Seattle in 1993 after working with Lydia Shire Susan Regis in Boston and as head baker at Seattle's Grand Central Bakery. She was among the first wave of Americans experimenting with recipes from European master bakers and a long slow fermentation process. Mackie rediscovered the craft's traditional almost spiritual importance. In France bakers are revered because bread is such a central part of the family and the community, she explains. This new book has more of Mackie's irresistible artisanal breads including flatbreads and an emphasis on traditional Italian breads. The reader will also find cakes, cookies, pies and other sweets and savorys that devoted customers love. Mackie is deeply rooted in the Puget Sound community and treasures the relationships she has with customers, employees and producers. Stories of some of her favorite people are sprinkled throughout the book. *Sunset Recipe Annual* Sunset Books, 1995 *Sourdough* Sarah Owens, 2020-10-27 A James Beard Award Winner for Baking Desserts, 101 recipes for baking with whole and sprouted grains making the most of the seasonal harvest and healing the body through naturally fermented food. Sarah Owens spent years baking conventional baked goods only to slowly realize she had developed a crippling inability to digest or tolerate their ingredients. Unable to enjoy many of her most favorite foods, she knew she must find a health-sustaining alternative. Thus Sarah started experimenting with sourdough leavening which almost immediately began to heal her gut and inspire her anew in the kitchen. Soon after her artisan small batch bakery BK17 was launched and with that a new way to savor and share nutritious sourdough breads and treats with her Brooklyn community. Sourdough and other fermented foods are making a comeback because of their rich depth of flavor and proven health benefits. In *Sourdough* Sarah demystifies keeping a sourdough culture which is an extended fermentation process that allows for maximum flavor and easy digestion, showing us just how simple it can be to create a healthy starter from scratch. Moreover, Sarah uses home-grown sourdough starter in dozens of baked goods including cookies, cakes, scones, flatbreads, tarts and more well beyond bread. Sarah is a botanist and gardener as well as a baker; her original recipes are accented with brief natural history notes of the highlighted plants and ingredients used. Anecdotes from the garden will delight naturalists and baked goods lovers among us. Laced with botanical and cultural notes on grains, fruits and vegetables, herbs and even weeds, *Sourdough* celebrates seasonal abundance alongside the timeless craft of artisan baking. **New World Sourdough** Bryan Ford, 2020-06-16 Best-selling cookbook. *New World Sourdough* offers an inviting nontraditional approach to baking.
