Report on Public Instruction in Bengal Bengal (India). Education Department,1908 **The Muslim Reality in India** Ishtiyaque Danish,2016-06-08 The Muslim Reality in India is a collection of articles dealing with several aspects of Muslim presence in post independence India This edited volume highlights not only the problems the Muslim community is confronted with but also shows the way ahead The most obvious and visible reality in India is its pluralistic and composite culture Every multicultural society is a unique experience it creates and solves problems The book in your hand has discussed it very well Indian Muslims feel marginalized politically economically and socially Their educational status is pathetic to say the least But what has been frightening the Muslims the most is the frequent outbreak of communal violence There is also the lurking danger of uniform civil code which has the potential to violently polarize the country along communal lines Similarly wide spread discrimination and in some cases social exclusion are also important problems There are internal as well as external reasons behind the problems mentioned above The Muslim Reality in India is an attempt to analyse the problems objectively and find out viable solutions to them Like the causes of the problems the solutions too are both internal and external The Muslim Reality in India is thus an objective analysis as well as approach to solve the problems of the largest minority in the country Journal of Objective Studies ,2000 *General Report on Public Instruction in Assam* Assam (India).
