Mousestruck An Animal Rights Activist Story Memories And Biographies:

Mercy Nancy Furstinger, 2020-06-11 19th century animal rights pioneer Henry Bergh comes to life in this illustrated biography for young readers Henry Bergh didn't seem like the kind of man who would speak up for animals He'd never even had a pet before But after witnessing horrific animal cruelty in the streets of New York and attending a bullfight in Spain Bergh knew animals needed a champion to protect them In the 1860s Henry Bergh started the ASPCA and advocated for many animal cruelty prevention laws Bergh worked hard to protect animals across the country insisting that mercy to animals means mercy to mankind This biography aimed at young readers includes color illustrations and period photographs as well as a timeline bibliography and other resources Well documented with sidebars on Louisa May Alcott Charles Darwin public health child labor and more Furstinger's lively narrative fills a void Kirkus

The Lucky Ones Jenny Brown, 2012-08-02 Jonathan Safran Foer meets Jeffrey Moussaieff Mason in a poignant provocative memoir of survival compassion and awakening to the reality of our food system Jenny Brown was just ten years old when she lost a leg to bone cancer Throughout the ordeal her constant companion was a cat named Boogie Years later she would make the connection between her feline friend and the farm animals she ate acknowledging that most of America's domesticated animals live on industrialized farms and are viewed as mere production units Raised in a conservative Southern Baptist family in Kentucky Brown had been taught to avoid asking questions But she found her calling and the courage to speak out She left a flourishing career as a film and television producer after going undercover and exposing horrific animal abuse in Texas stockyards Bringing to life this exhilarating transformation The Lucky Ones introduces readers to Brown's crowning achievement the renowned Woodstock Farm Animal Sanctuary she established with her husband in 2004 With a cast of unforgettable survivors including a fugitive slaughterhouse cow named Kayli Albie the three legged goat and Quincy an Easter duckling found abandoned in New York City The Lucky Ones reveals shocking statistics about the prevalence of animal abuse throughout America's agribusinesses Blending wry humor with unflinching honesty Brown brings a compelling new voice to the healthy living movement and to the vulnerable voiceless creatures among us *Memoirs of a Party Animal* Angela Humphery, 2014 I love parties I love animals But not necessarily in that order I've been holding parties since the age of ten to raise funds for animals so I suppose I am that mythical beast a party animal Foreword *Monsters and Miracles* Gary Kaskel, 2014-01-31 Monsters and Miracles is the story of a complex and conflicted warrior for children and animals who changed the consciousness of a nation more than a century ago As an animal advocate I love the story of Henry Bergh founder of the first animal protection society in America It is simply a must read for anyone interested in the humane movement and true American heroes Rory Freedman author of Beg and co author of Skinny Bitch Henry Bergh is widely thought to have started the animal protection movement in America and now thanks to Gary Kaskel's intelligent and compelling biography we know how this came to be Kaskel paints a detailed and personal portrait of the man who taught

us to respect animals This is an important book that will be on the shelf for years to come and it s a great read Elizabeth Hess author of Nim Chimpsky The Chimp Who would Be Human and Lost and Found Kaskel has woven an urbane and atmospheric tale of New York and Europe in the mid 19th century and an aristocrat s passionate crusade not only to bring America forward on the subject of animal cruelty and children s rights but for meaning and purpose in his own life Andrew Gross author of The Dark Tide and The Blue Zone Autobiographical Sketches And Personal Recollections George Thorndike Angell,American Humane Education Society,2023-07-18 This heartwarming memoir by famed animal welfare advocate George Thorndike Angell offers a fascinating insight into the life and work of one of the most important figures in the history of animal protection With personal anecdotes and reflections on his own experiences Angell s memoir is a must read for anyone interested in animal welfare and the history of the humane movement This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Staring the Dragon in the Eye Katharine Dokken,2012-11-09 Set up by a jealous fellow breeder and a crazy stalker the Whispering Pines poodles and their loving owner were the victims of an animal raid staged by a rogue humane investigator Ultimately they were all stolen under the color of law This is their story While legend is full of stories of brave knights facing down and slaying evil fire breathing dragons in real life the dragon frequently wins In this shocking account of one dog owner s battle with the dragon of animal rights extremism a true story in which the dragon prevailed we learn the true nature of the animal rights movement and how the real victims of this movement are the animals themselves **Ingrid**

Newkirk Jon Hochschartner,2019-02-08 Ingrid Newkirk born 1949 is best known for her activism regarding animal rights She is a British citizen who founded the organization People for the Ethical Treatment of Animals PETA Newkirk has spent her adult life advocating for the rights of earth s nonhuman inhabitants sometimes in very provocative ways Jon Hochschartner has compiled this chronicle of Newkirk s life and activism through research of the media related to her as well as through interviews with those close to her The book provides a thorough recap of a career dedicated to action

Cleveland Amory Marilyn S. Greenwald,2009 In this the first comprehensive biography of Cleveland Amory Marilyn Greenwald applies her considerable journalistic skills to a searching account of the complex life and times of this successful writer turned dedicated animal rights activist what shaped his beliefs in social responsibility and how his own intense commitment to his chosen cause ignited by the spectacle of a Mexican bullfight he covered as a young journalist permeated every aspect of his life Amory s bestselling books included three classic social history critiques The Proper Bostonians The

Last Resorts and Who Killed Society and his popular series on Polar Bear a cat that he rescued from the streets of Manhattan on Christmas Eve 1978 now available as The Compleat Cat In the 1960s and 1970s Amory wrote prolifically for TV Guide for which he was chief critic for over a decade Saturday Review Parade and other publications He was a regular commentator on the Today Show until 1963 when he was summarily fired for a story on animal abuse that greatly disturbed NBC's breakfast audience In 1967 Amory founded the charity Fund for Animals and as an animal rights activist he employed his charm intelligence and understanding of human nature to garner national publicity for a movement that was in the 1960s relatively obscure He was the first to use celebrities to help get support for the Fund for Animals including Mary Tyler Moore Doris Day Grace Kelly Dick Cavett and Jack Paar Amory's Fund merged with the Humane Society in 2005 As the Fund for Animals grew the organization gained international notoriety with high profile and daring animal rescues including the airlifting of burros from the Grand Canyon the rescues of wild goats in San Clemente the spray painting of baby harp seals in Canada In 1980 he opened his Black Beauty Ranch animal sanctuary east of Dallas Texas For all of this and more Amory's name today remains renowned in animal rights activist circles Throughout his life Amory reinvented himself several times and Marilyn Greenwald follows him every step of the way with an outstanding narrative and penetrating analysis of the man his career the animal rights movement the times and the extraordinary legacy of Cleveland Amory Born Without a Tail C. a.

Wulff,2015-03-09 When your home has a revolving door for abused and abandoned animals keeping pets takes on a whole new dimension Sometimes hilarious sometimes heartbreaking this is the account of one woman's journey with an ever changing house full of pets that led her to animal advocacy These true life tales mis adventures and insights garnered from a lifetime of animal encounters from childhood through adulthood will warm your heart *For the Prevention of Cruelty*

Diane L. Beers,2006-05-25 Animal rights Those two words conjure diverse but powerful images and reactions Some nod in agreement while others roll their eyes in contempt Most people fall somewhat uncomfortably in the middle between endorsement and rejection as they struggle with the profound moral philosophical and legal questions provoked by the debate Today thousands of organizations lobby agitate and educate the public on issues concerning the rights and treatment of nonhumans For the Prevention of Cruelty is the first history of organized advocacy on behalf of animals in the United States to appear in nearly a half century Diane Beers demonstrates how the cause has shaped and reshaped itself as it has evolved within the broader social context of the shift from an industrial to a postindustrial society Until now the legacy of the movement in the United States has not been examined Few Americans today perceive either the companionship or the consumption of animals in the same manner as did earlier generations Moreover powerful and lingering bonds connect the seemingly disparate American Society for the Prevention of Cruelty to Animals of the nineteenth century and the People for the Ethical Treatment of Animals of today For the Prevention of Cruelty tells an intriguing and important story that reveals society's often changing relationship with animals through the lens of those who struggled to shepherd the public toward a

greater compassion *Born Without a Tail* C. Wulff, 2017-09-15 When your home has a revolving door for abused and abandoned animals keeping pets takes on a whole new dimension Sometimes hilarious sometimes heartbreaking *Born Without a Tail* chronicles the true life adventures of two animal rescuers living with an ever changing house full of pets The author takes us on the journey from childhood through adulthood that laid the foundation for her life as an animal advocate She shares tales mis adventures and insights garnered from a lifetime of encounters with a menagerie of twenty remarkable animals With an hilarious foreward by Bob Tarte author of *Enslaved by Ducks Fowl Weather Kitty Cornered Feather Brained Memoirs of a Party Animal* Angela Humphery, 2014-12-12 *Memoirs of a Party Animal* My seven decades in animal welfare by Angela Humphery **Committed** Dan Mathews, 2008-02-05 In this inspiring irreverent memoir by a man who really has changed the world the incomparable public face of People for the Ethical Treatment of Animals PETA Mathews shares his unorthodox coming of age and outrageous career **Barking Up the Right Tree** Arthur Benjamin, Paulette Cooper Noble, 2017-04 Philanthropist animal activist Arthur Benjamin describes his life and work in various philanthropic areas especially pets and theater **Mad Dogs and an Englishwoman** Crystal Rogers, 2000 I shut my eyes and see the little girl I knew myself to be eighty years ago racing barefoot down a slope after a bunch of colourful fluttering butterflies Not to catch them Not to break their wings Not to preserve them in a jar to show off to friends I know now that the girl was chasing after them to share their freedom *Mad Dogs and an Englishwoman* is the remarkable autobiography of Crystal Rogers who dedicated her life to the welfare of stray uncared for animals in India and founded CUPA Compassion Unlimited Plus Action in Bangalore It tells how Rogers who was born in India returned to Delhi from England in 1958 and was horrified by the barbarous methods by which animals are slaughtered for consumption the cruelty involved in the transport of domestic animals the distress and terror of animals kept in captivity for medical research and the agony of sick and crippled animals who are prodded on to work or abandoned because they no longer serve any useful purpose Her deep sympathy for their plight resulted in her opening an animal shelter called The Animals Friend in Mehrauli Soon she also started taking care of the homeless diseased and dying people she found on Delhi s streets The book is full of memorable anecdotes some touching some hilarious about the animals and people Rogers encountered over the next twenty years Written in the best traditions of James Herriot and Gerald Durrell this is at once a delightful account of quirky human and animal behaviour and a powerful argument for animal activism in India *The Rights of the Defenseless* Susan J. Pearson, 2020-10-12 In 1877 the American Humane Society was formed as the national organization for animal and child protection Thirty years later there were 354 anticruelty organizations chartered in the United States nearly 200 of which were similarly invested in the welfare of both humans and animals In *The Rights of the Defenseless* Susan J Pearson seeks to understand the institutional cultural legal and political significance of the perceived bond between these two kinds of helpless creatures and the attempts made to protect them Unlike many of today s humane organizations those Pearson follows were delegated police powers to make arrests and

bring cases of cruelty to animals and children before local magistrates Those whom they prosecuted were subject to fines jail time and the removal of either animal or child from their possession Pearson explores the limits of and motivation behind this power and argues that while these reformers claimed nothing more than sympathy with the helpless and a desire to protect their rights they turned cruelty into a social problem stretched government resources and expanded the state through private associations The first book to explore these dual organizations and their storied history *The Rights of the Defenseless* will appeal broadly to reform minded historians and social theorists alike [A Rare Breed of Love](#) Jana Kohl,2008 Photos of Baby spokedog for US Humane Society with various celebrities *PEOPLE AND OTHER ANIMALS* Indrani Sircar,2024-06-03 *Temple Grandin* Linda Barghoorn,2016 American Temple Grandin is a renowned scientist champion for animal rights and an advocate for people with autism This book highlights the achievements of this inspirational woman who lives with high functioning autism Grandin overcame language and social challenges to become one of the world s most influential minds in animal welfare and in autism education exposing the incredible and sometimes unacknowledged potential of people who have special needs Primary sources sidebars and discussion and writing prompts highlight her remarkable story Teacher s guide available
