Jason And Anna Lee:

Jason and Anna Lee Sue Gavin, 2015-02-10 Jason and Anna Lee is the story of a 12 year old boy's flight into the night from the abuses of his drunken stepfather into the arms of a seriously impaired woman who lives on the streets. In spite of her impairment she takes him over and cares for him until he is reunited with his mother. These are the title characters Jason and Anna Lee. The narrative of the five day interval is interrupted by flashbacks into several of the leading characters' lives through various means. Sometimes the narrator does it, sometimes it comes out in conversation, but the search for Jason is a catalyst for these characters who must re-examine themselves and their lives: his mother who finally takes stock of herself and her life, the drunken cop who is always searching for recognition with no understanding of the disease that is eating his life up, and Jason himself who at age 12 is sure that his life is bad and can only get worse. As the story moves along to a shattering climax, it provokes the great Jobian query: why do terrible things befall defenseless people? Is there a loving and involved God, and if so, why isn't He doesn't intervene more for the defenseless? These questions are explored by a Jesuit priest and his friend, a St. Louis police detective who has seen the worst of the worst and believes nothing. *The Broken Places*

Ace Atkins, 2014-05-01 A year after becoming sheriff, Quinn Colson is faced with the release of an infamous murderer from prison. Jamey Dixon comes back to Jericho preaching redemption, and some believe him, but for the victim's family, the only thought is revenge. Another group who doesn't believe him, the men in prison from Dixon's last job, an armored car robbery. They're sure he's gone back to grab the hidden money, so they do the only thing they can: break out and head straight to Jericho themselves. Colson and his deputy Lillie know they've got their work cut out for them. But they don't count on one more unwelcome visitor: a tornado that causes havoc just as events come to a head. Communications are down, the roads are impassable, and the rule of law is just about to snap. **The Ranger** Ace Atkins, 2011-06-09 THE FIRST NOVEL IN ACE ATKINS' NEW YORK TIMES BESTSELLING QUINN COLSON SERIES In Quinn Colson, bestselling author Ace Atkins has created an American hero in a time when we need him. C. J. Box. After years of war, Army Ranger Quinn Colson returns home to the rugged, rough hill country of northeast Mississippi to find his native Tibbehawh County overrun with corruption, decay, meth runners, and violence. His uncle, the longtime county sheriff, is dead. A suicide, he's told, but others like tomboy deputy Lillie Virgil whisper murder. In the days that follow, it's up to Colson to discover the truth, not only about his uncle but about his family, his friends, his town, and himself. And once it's discovered, there's no going back for this real hero of the Deep South.
