*Supporting Entrepreneurship and Innovation* Janet Crum, Samantha Schmehl Hines, 2019-04-29 Libraries have recently begun doing more to support entrepreneurship and innovation within their communities This volume explores how this has come about looking at libraries from across North America Europe and Africa and helps position readers to better understand what is happening and how this can be brought to further institutions

*Intra-Africa Student Mobility in Higher Education* Chika Trevor Sehoole, Jenny J. Lee, 2022-01-01 This book examines student mobility within Africa International student mobility is among the central activities of higher education internationalization As the number of international students increase so do the destinations in both number and geographic diversity Historically international student mobility has followed South North and North North patterns However recent literature show the growth in North South and South South patterns of student mobility There has also been a rise in regional mobility In what is referred to in the book as intra Africa mobility the books explores and analyzes the patterns of intra Africa mobility based on seven African countries South Africa Kenya Uganda Nigeria Ghana Senegal and Egypt The editors and contributors address three central research questions Why did the students choose the country they are studying in Why did they choose the institution they are studying in What are their academic and social experiences in these countries and their respective institutions This book is the first comprehensive exploration of intra Africa student mobility in a field that traditionally centers on the Global North

*Administrator and Scholar* David J. Bakibinga, 2022-06-17 The autobiography deals with my early life from birth up to my first graduation from Makerere University followed by coverage on my grandparents and parents This is followed by a broad review of my experience abroad covering 13 years in the United Kingdom and Nigeria in the capacities of a student lecturer author and administrator The next chapter deals with the period after my return to Uganda principally settling down teaching at Makerere University serving as Secretary of the Uganda Law Society and working as Commissioner at the Uganda Revenue Authority The following chapter focuses largely on my administrative roles at Makerere University The next chapter is basically a synopsis of my published books This is followed by an account of my work with Busoga Diocese and the Uganda National Academy of Sciences Finally is a brief on my immediate family

Higher Education for and beyond the Sustainable Development Goals Tristan McCowan, 2019-08-29 This book analyses the role of the university in working towards the Sustainable Development Goals In contrast to the previous Millennium Development Goals higher education is seen to have a crucial role in this new agenda Yet how can the university fulfil these weighty expectations and are the dominant trends in higher education supporting or undermining this vision This book draws on the idea of the developmental university a model characterised by its porous boundaries with society and commitment to teaching research and community engagement in the public interest The author examines case studies from Latin America Africa and other regions to analyse how this model can be revived countering recent trends of marketisation status competition and unbundling The book also

considers alternatives to the developmental model drawing on indigenous knowledge systems looking beyond the SDG framework to the creation of a new form of society This timely volume will be of interest and value to those working in the field of sustainable development and to students and scholars of comparative education international development and higher education studies *The Uganda Gazette* Uganda,2018-07-13 **North-South Knowledge Networks Towards Equitable Collaboration Between** Tor Halvorsen,Jorun Nossun,2017-02-23 Since the 1990s internationalisation has become key for institutions wishing to secure funding for higher education and research For the academic community this strategic shift has had many consequences Priorities have changed and been influenced by new ways of thinking about universities and of measuring their impact in relation to each other and to their social goals Debates are ongoing and hotly contested In this collection a mix of renowned academics and newer voices reflect on some of the realities of international research partnerships They both question and highlight the agency of academics donors and research institutions in the geopolitics of knowledge and power The contributors offer fresh insights on institutional transformation the setting of research agendas and access to research funding while highlighting the dilemmas researchers face when their institutions are vulnerable to state and donor influence Offering a range of perspectives on why academics should collaborate and what for this book will be useful to anyone interested in how scholars are adapting to the realities of international networking and how research institutions are finding innovative ways to make NorthSouth partnerships and collaborations increasingly fair sustainable and mutually beneficial **Handbook of Diseases of Banana, Abaca and Enset** David R Jones,2018-12-14 This handbook contains 13 chapters covering banana Musa and Ensete diseases caused by various groups of causal agents and disorders caused by unknown and known factors Topics discussed include fungal diseases of the foliage root corm pseudostem fruit pre and postharvest as well as diseases caused by bacteria and phytoplasmas viruses and nematode pathogens Information is given on their economic impact distribution symptoms disease cycle and epidemiology host reaction and control Non infectious disorders mineral deficiencies injuries caused by adverse climate and extreme weather chemical injuries and genetic abnormalities are also described Topic on quarantine and the safe movement of Musa germplasm is also given This book like the last is for all banana doctors around the world It is hoped that it serves as a useful field and laboratory guide plus a source of information to all those investigating problems of the banana abac and enset crops
