Joseph Smith Rough Stone Rolling:

Joseph Smith Richard Lyman Bushman, 2007-03-13 Founder of the largest indigenous Christian church in American history Joseph Smith published the 584 page Book of Mormon when he was twenty three and went on to organize a church found cities and attract thousands of followers before his violent death at age thirty eight Richard Bushman an esteemed cultural historian and a practicing Mormon moves beyond the popular stereotype of Smith as a colorful fraud to explore his personality his relationships with others and how he received revelations An arresting narrative of the birth of the Mormon Church Joseph Smith Rough Stone Rolling also brilliantly evaluates the prophet s bold contributions to Christian theology and his cultural place in the modern world

Heaven's Ditch Jack Kelly, 2025-06-25 A page turning narrative Heaven s Ditch offers an excitingly fresh look at a heady foundational moment in American history The technological marvel of its age the Erie Canal grew out of a sudden fit of inspiration Proponents didn t just dream they built a 360 mile waterway entirely by hand and largely through wilderness As excitement crackled down its length the canal became the scene of the most striking outburst of imagination in American history Zealots invented new religions and new modes of living The Erie Canal made New York the financial capital of America and brought the modern world crashing into the frontier Men and women saw God face to face gained and lost fortunes and reveled in a period of intense spiritual creativity Heaven s Ditch by Jack Kelly illuminates the spiritual and political upheavals along this psychic highway from its opening in 1825 through 1844 Wage slave Sam Patch became America s first celebrity daredevil William Miller envisioned the apocalypse Farm boy Joseph Smith gave birth to Mormonism a new and distinctly American religion Along the way the reader encounters America s very first crime of the century a treasure hunt searing acts of violence a visionary cross dresser and a panoply of fanatics mystics and hoaxers

Joseph Smith Edward Allebest, 2025-08-22 The Church of Jesus Christ of Latter day Saints has always had detractors trying to both discourage investigators from joining the church and encourage members to abandon the church Their primary tactics are to slander Joseph Smith his teachings and the church he claimed to have restored Without some fundamental knowledge about Joseph Smith and his legacy these anti LDS materials can create confusion doubt and a crisis of faith The first three essays of this collection explore Joseph Smith s character accomplishments and discipleship With that foundational information in place the reader is better prepared to examine the various controversies The fourth essay delves into the quagmire of criticisms that have enveloped Joseph Smith his doctrine and the LDS Church and suggests how to navigate the tactics used by antagonists

A History of the Apocalypse Catalin Negru, 2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with

the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history Mitt Romney, Mormonism, and the 2012 Election L. Perry, 2014-08-07 This book seeks to address the question of how we should understand the impact of Mitt Romney's faith in the 2012 election As the first Mormon to earn a presidential nomination from a major party the book provides a comprehensive study of Romney's historic candidacy **On the Road with Joseph Smith** Richard Lyman Bushman, 2007-05-01 After living with Joseph Smith for seven years biographer Richard Lyman Bushman went on the road for a year After delivering the final proofs of his landmark study Joseph Smith Rough Stone Rolling to Knopf in July 2005 Bushman crisscrossed the country from coast to coast delivering numerous addresses on Joseph Smith at scholarly conferences academic symposia and firesides This startlingly candid memoir concludes eleven months later with an article written for Common Place in August 2006 Bushman confesses to hope and humility an unexpected numbness when he expected moments of triumph and genuine apprehension as he awaits reviews He frets at the polarization that dismissed the book as either too hard on Joseph Smith or too easy He yields to a very human compulsion to check sales figures on amazon.com but partway through the process stepped back with the recognition The book seems to be cutting its own path now just as I hoped For readers coming to grips with the ongoing puzzle of the Prophet and the troublesome dimensions of their own faith Richard Bushman a temple sealer and stake patriarch but also a prize winning scholar openly but not insistently presents himself as a believer I believe enough to take Joseph Smith seriously he says He draws comfort both from what he calls his mantra Today I will be a follower of Jesus Christ and also from ongoing engagement with the intellectual challenges of explaining Joseph Smith Moments in History Mark R. Brewer, 2019-12-20 There's no available information at this time Author will provide once information is available **Joseph Smith's Gold Plates** Richard Lyman Bushman, 2023 According to Joseph Smith the text of the Book of Mormon was revealed to him on a stack of gold plates which he translated into English In this book renowned historian of Mormonism Richard Lyman Bushman offers a cultural history of the gold plates Bushman examines how the plates have been imagined by both believers and critics and by treasure seekers critics novelists artists scholars and others from Smith's first encounter with them to the present Why have they been remembered and how have they been used And why do they remain objects of fascination to this day Mormonism Richard Lyman Bushman, 2008-04-22 This short introduction explains who Mormons are what they believe and how they live their lives Written by Richard Lyman Bushman an eminent historian and practicing Mormon this compact informative volume ranges from the history of the Church of Jesus Christ of Latter-day Saints to the contentious issues of contemporary Mormonism Bushman argues that Joseph Smith still serves as the Mormons' Moses Their everyday religious lives are still rooted in his

conceptions of true Christianity Bushman s account examines both the positive aspects of Mormonism as well as the tensions and sorrows of Mormon life *On the Road with Joseph Smith* Richard L. Bushman,2007 A microcosm of the larger issues facing Mormon Studies Richard Bushman discusses the contrasting reception from audiences over his biography of one of the most polarizing persons in American history **Joseph Smith, Jr.** Reid L. Neilson,Terryl L. Givens,2008-12-02 Mormon founder Joseph Smith is one of the most controversial figures of nineteenth century American history and a virtually inexhaustible subject for analysis In this volume fifteen scholars offer essays on how to interpret and understand Smith and his legacy Including essays by both Mormons and non Mormons this wide ranging collection is the only available survey of contemporary scholarly opinion on the extraordinary man who started one of the fastest growing religious traditions in the modern world *Brigham Young University Studies* Brigham Young University,2007 **Joseph Smith and His Mormon Empire** Harry Markle Beardsley,1931 **The John Whitmer Historical Association Journal** ,2006 The Worlds of Joseph Smith John Woodland Welch,2006 *Place the Headstones Where They Belong* Sherman L Fleek,2008-11-05 After a long journey from Sugar City Idaho to France s Argonne Forest France during World War I young Thomas Neibaur found himself in the core of the American Expeditionary Force s most important offensive After becoming separated in advance of his unit he despite serious wounds single handedly stopped a German counterattack at a critical hill known as C te de Ch tillon For this remarkable feat of valor he received the Medal of Honor and other awards becoming the first Idaho and first Mormon recipient of the nation s highest combat award But after a heroic return and brief celebrity his life followed a tragic downward arc culminating in his attempt to return his medal because as he put it it could not feed his family **Journal of Mormon History** ,2009 **Manual** ,1900 Each issue also has a distinctive title **The Personal Writings of Joseph Smith** Joseph Smith (Jr.),1984 The Vision of Mormonism Robert L.
