Greenberger,2019-05-14 DC Comics has created some of the most twisted and complex villainous characters in the world of comics The third installment in the popular 100 Greatest Moments of DC Comics series DC Comics Super Villains features the pivotal acts that shaped the characters of 74 of these bad guys in over 200 pages of art Every hero needs a villain In fighting them the extreme superiority of our heroes is revealed The methods and morals of villains are usually the key difference between them and the heroes Batman for instance is a vigilante who cleans up the streets while never stooping so low as to kill the deplorable criminals he battles What makes him truly good is that he upholds these standards even when he s faced with a villain like the Joker an entity that would arguably be better off dead Many bad guys cause mayhem for mayhem s sake with sometimes no apparent reason other than simply being bad What makes a villain great however is the complexity of their character The truly terrible villains of DC Comics have depths of cruelty that grow with them and specific motivations driving them In these pages you will see these super villains at the peak of their achievements committing heinous acts of death and destruction all to achieve a specific goal They challenge the heroes and their ideals seeing the caped and cowed figures as obstacles to be overcome Compiled by several groups of hardcore fans these 100 moments are the greatest worst villainous acts in DC Comic book history A summary of each super villain brings new fans up to speed from their origins to their most dastardly revivals Classic and modern comic book art are shown throughout Enjoy the most important parts of your favorite story arcs It s a great starting point for new readers or a nostalgic look for hardcore fans through the villains old and new An extension of the DC Comics 100 Greatest Moments series for the most dedicated and curious DC comics fan **Drogon 3: Victims Of The Victorious** Hells Lefse,2015-04-27 Sven Ole Asil Einer and their

friends are about to embark on one of the most heart rending adventures of their lives They will be joined by their friends Kavan Parkurkarkuss and McCorn in an effort to rescue Kavan s family from the Russian zone of occupied Germany Atrocities committed by the Nazi s are well documented Educational institutes and even museums teach the world about the

plight and suffering of the Jews and other minorities that were displaced from their homes and businesses tortured and killed during the Nazi regime These well meaning organizations are there to make sure we never forget the holocaust that took place in Hitler s Nazi Germany History and education have told of the suffering and death reeked upon the countries that the Germans overran and occupied After the unconditional surrender of Germany and its occupation by the allied nations the German people would be treated much the same as they had treated the countries that they had defeated For the German survivors would soon be displaced from their homes have their possessions and business taken away from them The basic needs of life would be allowed only at sustenance levels After Germany surrendered a new virtually unknown holocaust took place From 1945 1950 the allies expelled or forced more than 14 million Germans from their ancestral homes 4 million German citizens were sent away as forced labor most of these went to Russia never to return More than 2 million Germans were killed or lost their lives Over 2 million women from the ages of 9 to 90 were raped Many of them did not survive or were mutilated for life In the winter of 1945 1946 the allies forbid any nation to send food or aid to the starving Germans The allied authorities even rejected requests by the international Red Cross to bring provisions to alleviate the suffering of the German people The most common response to allied atrocities was to say The Germans got what they deserved Many of the things you will read in this story are true and based on facts There are books and resources available on line or at your library for those of you who would like to do further research I hope that the truth be it good or bad will help humanity not to repeat the same mistakes in the future What was left of the German population had become the Victims of the Victorious
