Vincent Van Gogh, Etc. [With Reproductions, Including a Self-portrait.]. Louis PIÉRARD, Vincent van Gogh, 1924

Ever Yours Vincent van Gogh, 2013-12-01 An abridged edition of the complete six volume publication Vincent van Gogh the letters the complete illustrated and annotated edition 2009 Title page verso *The Letters of a Post-Impressionist: Being the Familiar Correspondence of Vincent Van Gogh* Vincent Van Gogh, 1912-01-01 Though the collection of letters contained in Cassirer s publication Vincent Van Gogh Briefe is not a complete one from my knowledge of a very large number of the letters which are not included in this volume I feel able to say that the present selection is in any case very representative and contains all that is essential in respect to Van Gogh s art credo and general attitude of mind For reasons into which it is unnecessary for me to enter here it was found convenient to adopt the form of Cassirer s publication arranged

by Margarete Mauthner and my translation has therefore been made from the German Fourth Edition 1911 Still with the view of avoiding the errors which were bound to creep into a double translation of this sort I took care when my version was complete to compare it with as many of the original French letters as I was able to find and I am glad to say that by this means I succeeded in satisfying myself as to the accuracy of every line from page 39 to the end The letters printed up to page 38 some of which I fancy must have been written in Dutch a language which in any case I could not have read have not been compared with the originals But seeing that the general quality of the German translation of the letters after page 39 was so good that I was able to discover only the small handful of inaccuracies referred to in the appendix I think the reader may rest assured that the matter covering pages 1 to 38 is sufficiently trustworthy for all ordinary purposes I say that I fancy some of the letters which occur between pages 1 and 38 were written in Dutch for I am not by any means certain of this In any case I can vouch for the fact that the originals of all the letters after page 38 were in French as I have seen them But in this respect Paul Gauguin's remark about his friend Van Gogh is not without interest Il oubliait m me wrote the famous painter of n gresses d crire le hollandais et comme on a pu voir par la publication de ses lettres son fr re il n crivait jamais qu en fran ais et cela admirablement avec des Tant qu Quant n en plus finir Rather than disfigure my pages with a quantity of notes I preferred to put my remarks relative to the divergencies between the original French and the German in the form of an appendix to which the Numbers 1 to 35 in the text refer and have thus kept only those notes in the text which were indispensable for the proper understanding of the book Be this as it may the inaccuracies and doubts discussed in the appendix are on the whole of such slight import that those readers who do not wish to be interrupted by pedantic quibbles will be well advised if they simply read straight on without heeding the figures in the text To protect myself against fault finders however such readers will understand that it was necessary for me to prepare some sort of a list referring to those passages which in the German differed even slightly from the French original
