

Le Dixhuit Brumaire

Philip Dwyer

Le Dixhuit Brumaire:

Napoleon Philip Dwyer, 2008-01-01 At just thirty years of age Napoleon Bonaparte ruled the most powerful country in Europe But the journey that led him there was neither inevitable nor smooth This authoritative biography focuses on the evolution of Napoleon as a leader and debunks many of the myths that are often repeated about him sensational myths often propagated by Napoleon himself Here Philip Dwyer sheds new light on Napoleons inner life especially his darker side and his passion to reveal a ruthless manipulative driven man whose character has been disguised by the public image he carefully fashioned to suit the purposes of his ambition Dwyer focuses acutely on Napoleons formative years from his Corsican origins to his French education from his melancholy youth to his flirtation with radicals of the French Revolution from his first military campaigns in Italy and Egypt to the political military coup that brought him to power in 1799 One of the first truly modern politicians Napoleon was a master of spin using the media to project an idealized image of himself Dwyers biography of the young Napoleon provides a fascinating new perspective on one of the great figures of modern history **9 Novembre 1799. Le Dix-huit Brumaire. [With Portraits.]** Albert OLLIVIER, 1959 **British Museum Catalogue of printed Books**, 1891 **Napoleon** Alan Forrest, 2012-12-11 From Alan Forrest a preeminent British scholar comes an exceedingly readable account of the man and his legend On a cold December day in 1840 Parisians turned out in force to watch as the body of Napoleon was solemnly carried on a riverboat from Courbevoie on its final journey to the Invalides The return of their long dead emperor s corpse from the island of St Helena was a moment that Paris had eagerly awaited though many feared that the memories stirred would serve to further destabilize a country that had struggled for order and direction since he had been sent into exile In this book Alan Forrest tells the remarkable story of how the son of a Corsican attorney became the most powerful man in Europe a man whose charisma and legacy endured after his lonely death many thousands of miles from the country whose fate had become so entwined with his own Along the way Forrest also cuts away the many layers of myth and counter myth that have grown up around Napoleon a man who mixed history and legend promiscuously Drawing on original research and his own distinguished background in French history Forrest demonstrates that Napoleon was as much a product of his times as their creator *Bonaparte* Patrice Gueniffey, 2015-04-13 Patrice Gueniffey the leading French historian of the Revolutionary and Napoleonic age takes up the epic narrative at the heart of this turbulent period the life of Napoleon himself from his boyhood in Corsica to his meteoric rise during the Italian and Egyptian campaigns to his proclamation as Consul for Life in 1802 The Era of the French Revolution Ronald J. Caldwell, 1985 *Catalogue of Printed Books* British Museum, 1899 *Catalogue of Books ...*, 1843 *Histoire D'un Crime* Victor Hugo, 1878 *Catalogue of Printed Books in the Library of the British Museum ...* British Museum.
