## **L'insertion Professionnelle Des Publics Précaires:**

L'insertion professionnelle des publics précaires Denis Castra, 2014-08-14T00:00:00+02:00 Pourquoi les diverses politiques d'insertion paraissent-elles inefficaces ou si peu efficaces ? Toutes les évaluations des dispositifs d'insertion mis en place depuis une vingtaine d'années aboutissent à des conclusions relativement proches : les ressources humaines sont plus utiles que les stages et les formations ; les moins qualifiés et les moins jeunes marginalisés ; il existerait un certain nombre de personnes exclues définitivement de tout projet professionnel. L'originalité de ce livre est de recuser les explications classiques : les demandeurs d'emploi ne sont pas qualifiés ou bien il vaut mieux bénéficier d'une allocation plutôt qu'un travail pénible mal rémunéré en passant un certain fatalisme économique et de défendre une thèse qui est que la faible efficacité de ces dispositifs d'insertion tient aux philosophies et aux pratiques de ces politiques elles-mêmes. Cette thèse s'appuie sur une série d'études et d'expériences scientifiques ; elle offre des perspectives pratiques et propose une méthode d'action. Sa thèse est simple mais efficace : ce n'est pas en changeant les idées c'est-à-dire en voulant modifier les personnes qu'on change les pratiques c'est-à-dire l'accès au travail mais c'est en transformant les pratiques que l'on change les idées. En réduisant le chômage ses problèmes on finit par faire comme si on traitait la cause par le croire et lui faire croire en voulant le transformer. C'est la situation de travail qui crée les qualités du travailleur bien plus que l'inverse. Tous ceux qui souffrent du chômage scolaire, la pauvreté ou la délinquance y trouveront matière à réflexion et action.

L'insertion professionnelle d'un public éloigné de l'emploi s'inscrivant dans une démarche d'apprentissage Aurore Pacca, 2017 Ce mémoire réalisé cette année a porté sur l'insertion professionnelle de salariés en contrats aidés. Nous avons cherché à montrer l'impact de l'apprentissage sur l'insertion d'un public précaire. La précarité s'entend ici non pas comme une situation instable au niveau de l'emploi mais plutôt comme l'accumulation d'un ensemble d'éléments ne permettant pas l'accès à l'emploi telles que la pauvreté, le chômage, l'assistanat, le mal-être, l'exclusion, etc. Ce public précaire devient donc un public loigné de l'emploi. Cette étude vise à montrer que grâce à leur intégration au sein d'une association par l'activité économique porteuse de contrats d'insertion, ces personnes peuvent se resocialiser par l'apprentissage qu'ils bénéficient afin de développer leurs compétences professionnelles et sociales et en fin de compte aboutir à leur insertion professionnelle.
