George H. Guthrie, 2011-01-01 The Bible may be the most purchased book in the world but it is often the least read and least applied due to a basic lack of understanding and motivation on the part of readers Read the Bible for Life aims to improve biblical literacy in the culture and the church by simultaneously moving readers toward greater skill in reading the Bible well and toward a deeper commitment to applying Scripture to everyday life Through a series of down to earth conversations with some of today's brightest scholars author George Guthrie discusses the basic tools and attitudes needed to read the Bible more effectively Chapters focus on the various types of literature in Scripture and how to read them well For instance how should we read a psalm differently than we read a parable How should we read a story of the Old Testament differently than we read a letter from Paul How can we engage these various parts of Scripture in a way that is truly life changing The book also discusses issues such as reading the Bible in context choosing and reading a Bible translation reading in times of sorrow or suffering and reading the Bible with your family As we better understand how to read the Bible skillfully we begin to see how every person of the Bible every psalm and every teaching fits into the Bible's powerful overarching story and we begin to realize our place in the story God is still writing in the world Endorsements In the church's dry desert of biblical illiteracy this book is a drink of cold refreshing water With pastoral sensitivity and practical skill George Guthrie is equipping us to know understand and apply the treasures of God's Word in a way that will transform our lives and our communities for the glory of our God I wholeheartedly recommend Read the Bible For Life for every Christian and every leader in the church David Platt New York Times best selling author of Radical In a culture where biblical illiteracy continues to spread like the proverbial plague George Guthrie has introduced a healing medicine in the form of Read the Bible for Life This overview of the Bible's nature and content will be welcomed in churches intent on developing biblically grounded followers of Christ The book's conversational approach provides an easy entry for a generation that tends to read only headlines With fresh insights for the long time student of God's Word and accessible material for the new student it is a resource I recommend for all believers Ed Stetzer coauthor Transformational Church The genuine give and take of conversation is key to the Christian community's deeper grasp of the Scriptures Read the Bible for Life is a celebration of biblical conversation between friends who really love the Word Hopefully lots of people will join in Michael Card award winning musician and author *How to*

Life with God Richard J. Foster, 2010-05-04 Too often our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment But what if we approached the Bible differently and instead of transforming the text to meet our needs allowed it to transform us That's exactly the idea behind Life with God Richard J Foster's much anticipated book on the Bible Foster bestselling author of Celebration of Discipline and general editor of The Renovar Spiritual Formation Bible claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation According to Foster the Bible is all about human life with God As we read Scripture we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed By opening our whole selves mind body spirit thoughts behavior and will to the page before us we begin to grasp all the Bible has to teach about prayer obedience compassion virtue and grace and apply it to our everyday lives to achieve a deeper relationship with God With a wealth of examples and simple yet crucial insights Life with God is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge literary appreciation or religious instruction
