Literary Devices Activities:

Figurative Language and Other Literary Devices: Grades 3-6 Rebecca Stark, 2016 Literary techniques are the constructions of language used by an author to convey meaning. These techniques make the story more interesting to the reader. It is crucial that students learn to identify and understand these constructions. Familiarity with these techniques will prepare them not only for standardized tests but also for their future education. The understanding of these devices will help students get more enjoyment from the fiction they read both in and out of the classroom situation. This comprehensive unit uses examples from classic and modern literature to introduce and reinforce these techniques. Each term is defined. One or more examples are given from classic and or modern literature. Students are then given opportunities to identify, explain, and use the technique. Activities help implement Common Core State Standards Grades 3 through 6. The following literary terms/techniques are covered: Connotation, Dialogue, Dialect, Imagery, Idiom, Simile, Metaphor, Allusion, Personification, Hyperbole, Understatement, Oxymoron, Symbol, Pun, Alliteration, Onomatopoeia. Each Literary Device includes Definition, Explanation, One or More Examples in Classic or Modern Literature, Skill building Activities Based on the Device. *Teaching Literary Elements With Short Stories* Tara McCarthy, 2000-06 Ready to use high interest stories with mini lessons and activities that help students understand literary elements and use them effectively in their writing.
