## **Living A Successful Christian Life:**

**Living a Successful Christian Life** Flora O. Erome-utunedi, 2014-12-09 This book is all about the revelation that God gave to me in a dream to the Church. The message is how the Church, the body of Christ, should live a successful Christian life. God is telling the Church today that to live a Successful Christian life, the body of Christ must run away from evil to embrace holiness and righteousness in a personal walk with Him. The Church is encouraged to go back to the basics, which are the Word of God and to be Christ followers who practice His Word. The Word of God is the foundation of Christianity. Where the Church has lost it, God is calling His Church for true repentance to receive His forgiveness because He is willing to forgive His Church. The Church today needs to hear messages from the pulpit about holiness and righteousness to draw near to God. The introductory chapter attempts to define success and successful as viewed by the secular world and as explained by the Holy Bible, the Word of God. The secular world has a view of what success is all about. More often than not, the world view definition of success leads to a meaningless life. Success as explained by the Word of God in the Holy Bible and revealed to the world by our Lord and Savior Jesus Christ leads to a meaningful successful living. The concept of living a successful Christian life as revealed by the Word of God is discussed. Here, ample scriptural keys to living a successful Christian life are explored. The book also deals with examples of people who successfully worked with God in the Holy Bible. It is clear that Christians have no excuse not to follow the precepts ordered by God and further expounded on by Jesus Christ. It is possible to work with God and be successful by His grace. Combining the scriptural keys and the examples of those that successfully worked with God should provide us with the needed impetus to live a successful Christian life. Critical success factors in addition to the above are further discussed in this book. These are: fearing the Lord, God Almighty, knowing the Lord Jesus Christ, and honoring your father and mother. The fear of the Lord is the beginning of wisdom; a good understanding have all they that do his commandments; his praise endureth forever. Psalms 111:10 KJV. Divine understanding and wisdom comes from the power that is in the Word of God. To know Jesus Christ is the key to success, and through Him, the Church is made righteous. To live a long and satisfying life, we must honor our fathers and mothers. My prayers are for you to read and meditate on this book, but keep in mind that the Holy Bible must always remain the primary guide of the Church. And by using this guide, I have no doubt that not only will you experience visible changes in your walk with Christ, it will also ultimately lead you to become a successful Christian by His grace. Let us hear the conclusion of the whole matter: Fear God and keep his commandments, for this is the whole duty of man. For God shall bring every work into judgment, with every secret thing, whether it be good or whether it be evil. Ecclesiastes 12:13-14 KJV. To live a successful Christian life is challenging but is possible by His grace. When a Christian takes the right decision to live for God, he or she realizes that there is no better life outside following Jesus Christ. Let us not be fooled by the glamour and the illusions of wealth, fame, and self-righteousness, or be religious without the power of God. Now is the time to decide to follow God; the alternative will lead to nowhere, a life in cycles. And now, dear brothers and sisters,

one final thing Fix your thoughts on what is true and honorable and right and pure and lovely and admirable Think about things that are excellent and worthy of praise Philippians 4 8NLT I sincerely pray for you and all reading this book that God in His infinite mercies will grant you the grace to live a successful Christian life by the power of Holy Spirit Amen *Ways to Live a Successful Christian Life* Jsamine P.
