Second Wind Neil Shulman, 2013-12-31 About the book Anyone who thinks nursing homes are depressing places to visit hasn't been to Millys

Merry Roost or any other elder care community for that matter Nursing Homes are not only full of hilarious stories but they're also filled with the wonderful people who have lived them. Open the first page of *Second Wind* and start reading about the colorful characters who play out the story of a group of elderly people and some younger folks who have gotten a second wind. Neil Shulman is a medical doctor, was a medical director of a nursing home, and author of many books including *Doc Hollywood*. He currently travels the country with his one man comedy act based primarily on personal experience. P K Beville, a clinician specializing in geriatrics and founder of *Second Wind Dreams*, is a champion of eldercare. She travels the country making dreams come true and raising awareness about the needs of Alzheimer's care. The characters and stories in *Second Wind* are based on actual events. *Second Wind Dreams*, a nonprofit organization, makes dreams come true for elders in long term care and is the home of the award-winning Virtual Dementia Tour. Changing the perception of aging through dreams and innovative programming is what they are all about. *Second Wind Dreams* organizes and motivates elder care communities to find out what their residents dream about and using their local communities as a resource sets out to fulfill each dream. From dinner at a local favorite restaurant to a visit with a long lost friend, each dream gives all involved a *Second Wind*. In trouble and on the run, after she discovers her sister Tanya dead on the floor of her fashionable New York City townhouse, Letty Carnahan is certain she knows who did it: Tanya's ex-sleazy real estate entrepreneur Evan Wingfield. Even in the grip of grief and panic, Letty heeds her late sister's warnings: "If anything bad happens to me, it's Evan. Promise me you'll take Maya and run. Promise me." With a trunkful of emotional baggage, So Letty grabs her sister's Mercedes and hits the road with her wailing four-year-old niece Maya. Letty is determined to outrun Evan and the law, but run to where? Tanya, a woman with a past shrouded in secrets, left behind a go-bag of cash and a big honking diamond ring, but only one clue: a faded magazine story about a sleepy mom and pop motel in a Florida beach town with the improbable name of Treasure Island. She sheds her old life and checks into an uncertain future at The Murmuring Surf Motel. The No Vacancy sign is flashing, the sharks are circling. And that's the good news. Because The Surf, as the regulars call it, is the winter home of a close-knit flock of retirees and snowbirds who regard this odd duck newcomer with suspicion and downright hostility. As Letty settles into the motel's former storage room, she tries to heal Maya's heartache and unravel the key to her sister's shady past, all while dodging the attention of the owner's dangerously attractive son, Joe, who just happens to be a local police detective. Can Letty find romance as well as a room at the inn, or will Joe betray her secrets and put her behind bars? With danger closing in, it's a race to find the truth and right the wrongs of the past. *The Magazine from Cover to Cover* Sammie
