Media and Communication in Nigeria Bruce Mutsvairo, Nnamdi T Ekeanyanwu, 2021-12-30 Communication is changing rapidly around the world particularly in Africa where citizens are embracing digital technologies not only to improve not only interpersonal communication but also the state of their financial well being This book investigates these transformations in Nigeria s booming communication industry The book traces communications in Nigeria back to pre colonial indigenous communications through the development of

telecommunication broadcasting networks the press the Nigerian film industry Nollywood and on to the digital era At a time when Western voices still dominate the academic literature on communication in Africa this book is noteworthy in drawing almost exclusively on the expertise of Nigerian based authors critiquing the discipline from their own lens and providing an important contribution to the decolonisation of communication studies The authors provide a holistic analysis of the sector encompassing print journalism broadcast journalism public relations advertising film development communication organisational communication and strategic communication Analysis of the role of digital technologies is woven throughout the book concluding with a final section theorising the future of communication studies in Nigeria in the light of the digital media revolution Robust in its theoretical and methodological underpinnings this book will be an important reference for researchers of media and communication studies and those working on Africa specifically Nigerian Media Industries in the Era of Globalization Unwana Samuel Akpan, 2023-01-09 In Nigerian Media Industries in the Era of Globalization editor Unwana Samuel Akpan provides a timely collection of relevant key and well informed contributions on the Nigerian media industries in a changing media landscape This collection assembles both media professionals and professors of media practice and theory to address how the Nigerian media industry has changed in a globalized world The chapters apply scholarship research and industry experience to modern media narratives as well as a blend of Nigerian cultural concepts and idioms of communication The contributors provide a historicized account of the Nigerian indigenous media systems and Nigerian mainstream media industry examine media law in Nigeria and media ownership in Nigeria express concerns over fake news in relation to elections explore changes in journalism broadcasting health communication organizational communication AI in countering terrorism sports media and draw conclusions on how the media has changed in digital spaces This book is essential for media scholars and media professionals who are interested in the growth and survival of the Nigerian media in the era of globalization Tales of War in Africa Dr. Benjamin Muindi , 2025-11-02 In the relentless churn of the 24 hour news cycle the foundational pillars of democratic society are perpetually tested by asymmetric threats Nowhere is this tension more palpable than in the fraught intersection of terrorism media and state security Dr Benjamin Muindi s Tales of War in Africa is a courageous and meticulously researched examination of that precise collision offering not just a diagnosis of a problem but a roadmap for a more resilient path forward By focusing on the compelling case study of Kenya a nation that has endured sustained retaliatory attacks since its entry into Somalia in 2011 this seminal work asks the critical question what happens to media freedom when a nation is under siege Revolutionizing the field of terrorism studies Dr Muindi plunges into the lived human experiences of journalists themselves Through a rigorous phenomenological investigation we are granted an unprecedented empathetic window into the newsrooms and the field We hear the voices of reporters grappling with physical danger and psychological trauma and we feel the weight of the ethical dilemmas they face This book provides concrete evidence based insights for journalists policymakers and security agencies alike It argues that a

free and responsible press is a strategic partner in security one that can deprive terrorism of the oxygen of propaganda By providing a crucial corrective to Western centric paradigms *Tales of War in Africa* is an essential contribution to ensuring that in the fight against terror the light of a free press continues to burn brightly guiding a nation toward a future of both security and freedom
